

Maintenance Choice[®]

*Fill Your Maintenance Drug Prescriptions
with Voluntary Maintenance Choice*

Maintenance Choice offers you options and savings when it comes to filling your maintenance medications. Maintenance medications are drugs taken regularly for an ongoing condition such as high blood pressure, diabetes, etc. With Maintenance Choice, you can get up to a three-month supply of your maintenance drugs for the cost of a two-month supply. There are two ways to save when filling your maintenance drug prescriptions.

CVS Mail Service Pharmacy

- Enjoy convenient home delivery service
- Refill your prescriptions online, by phone or email
- Check account balances and make payments through an automated phone system
- Sign up to receive email notifications of order status
- Access a consulting pharmacist by phone 24 hours a day

CVS Retail Pharmacy

- Access the entire network of CVS pharmacies
- Pick up your medications at a time convenient to you
- Enjoy same-day prescription availability
- Talk with a pharmacist face-to-face

You can continue to fill a one-month prescription at any retail pharmacy; however, you will continue to pay the applicable copay for each fill. Therefore, a three-month supply of maintenance drugs will cost you three copays rather than two, in addition to three trips to the pharmacy. For more information, call us toll-free at 800-241-3371.
