

7th Grade Supply List

2022-2023

Welcome to 7th Grade!

- Each class requires a *dedicated* and *separate* place to store notes and handouts.
- Try to buy the sturdiest/highest quality supplies possible to survive switching classes throughout the school year.
- Teachers will explain their exact expectations during the first week of school.
- Purchase extra supplies during summer sales – especially pencils and lead refills.
- **Label ALL materials and equipment** clearly with the student's first and last name.

A Note Regarding Latin: Some students may be taking Introduction to Latin rather than Latin 1a. Please check your students schedule to see what class they are signed up for. This list includes materials for Latin 1a, not Introduction to Latin.

The Introduction to Latin supply list can be found on the sixth grade supply list available on the AMSA website.

Required Supplies:

- Homework planner/agenda
- Zippered pencil case
- Folders and/or binders (*see next page*)
- Filler paper and/or notebooks (*see next page*)
- Pencils and/or lead refills (the more the better)
- 1 package of pens
- Erasers
- 1 package highlighters
- Colored pencils
- Handheld pencil sharpeners
- Accordion folder (10+ sections) to be left in locker to file away old papers
- Scientific calculator for Chemistry and Math (TI-30 II XS suggested)
- Nature Journal for Biology (see Note Below on Purchasing)

Nature Journal Purchasing Information (Biology):

Nature Journals can be purchased through AMSA for a discounted price of \$17.50 (original price, \$22.50). The link will be provided in an email from Mr. Finkle in August. Students will receive their journal at the beginning of the year and it will be used for 7th and 8th grade Biology.

Additional Supplies of Reading:

Any students taking reading with Dr. Kohl should make sure they have:

- A three-ring binder specifically for Reading (with lined paper)
- Six tabbed dividers
- A free-choice book that students have at home to read for homework (Dr. Kohl recommends using your local library to get these books)
- A package of Post-It notes in a light color

Suggested Supplies:

- Geometry kit
- Locker shelves
- Section dividers if using binders
- Permanent markers
- Glue stick

7th Grade Supply List 2022-2023

- ❑ Index cards

Individual Class Organization:

- Teachers will provide their expectations for organization during the first days of school and on their course info sheet that goes home with students.
- Most classes will require some combination of a **two pocket folder** and **notebook** or a **binder** with **loose paper** and **dividers**.
- Some teachers may require a dedicated binder. It may also be possible to use a bigger binder with dividers for several classes (even day/odd day/every day). If teachers are flexible with options, students should pick an organizational system that works for his/her style--some people do better with folders versus binders or vice versa. Think about what will keep you the most organized.

For the First Day of School:

- Bring a folder, notebook, and your stocked pencil case

School Bags:

- Large backpacks may be brought to school and stored in lockers during the school day.
- Around the building, students may carry a drawstring strap bag (see below). Tote bags and messenger bags are not allowed. Students should visit lockers throughout the school day to switch out supplies.
