Kindergarten Registration

This is an exciting time for you and your family!

Kindergarten is right around the corner!

To register your child for the upcoming Kindergarten school year, please call the registrar's office at 518-324-2597. Once you have contacted the registrar, you will be asked to provide an email with the following documents attached:

When registering your child you will need the following:

- Birth Certificate

***All proofs of residency must contain the name of the parent/guardian and their physical address showing they are Beekmantown residents (such as a driver's license, phone bill, lease, etc.) and must be current. No handwritten documents are accepted.*

Upon receipt of your email, the registrar will email a registration link to you. You will then open the link and register your child.

***Please note that in order to be eligible for Kindergarten for the 2022-2023 school year, your child must be five (5) years of age on or before December 1, 2022 (or current year).*
