

Rockdale ISD Meal Charge Policy 2021-2022

Rockdale ISD offers healthy meals every school day to all students at no cost. Typically, a student's household must meet income eligibility requirements to qualify for free or reduced-price meals. However, the United States Department of Agriculture (USDA) issued guidance that allows schools to offer meals to all students at no cost for the 2021-2022 school year. A la carte items or second meals must be paid for at the register. It is not permissible to charge a la carte items or second meals.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits.
