

**Campbell County Schools**  
**LEA Submission of Findings and Recommendations**  
**January 13, 2020**

**Area of Assessment: NUTRITION**

**Findings:**

Improvement in lunch and breakfast participation needed district wide

18-19 Breakfast participation has increased to 23% district wide from 21% for 17-18

18-19 Lunch participation has increased to 58% district wide from 55% for 17-18

**Recommendations:**

30% Breakfast Participation and 70% Lunch Participation are our target participation goals district wide. We will continue using Google Doc Student Surveys district wide to find out ways to improve participation.

**Area of Assessment: Physical Activity/Physical Education**

**Findings:**

Review of HECAT Fundamentals for grades 3-5

Continued Health/Physical Education opportunities being provided to our students district wide

**Recommendations:**

Continue to work on individual school wellness plans to integrate healthy habits, and remove health barriers to learning and life success

Integrating health nutrition & physical activity into daily curriculum at all grade levels
