

## School Attendance Areas

### ASSIGNED ZONES

All pupils shall be assigned by geographic attendance and will attend the school designated to serve their area of residence. Specific areas served by each attendance zone will be marked on a map in the central administration office. The Board may revise attendance zones from time to time to attain maximum utilization of school facilities.<sup>1</sup>

No student may be assigned to or required to attend a charter school by the District.

### IF A PUPIL MOVES

If a pupil moves from one attendance zone to another within the school system, the pupil may be permitted to finish the school year in the school in which s/he was last enrolled (at no cost or service by the Board). Transportation to and from school is the responsibility of the parent/guardian. The pupil must enroll the following year in the school in the attendance zone of his/her legal residence.

### CHANGES IN ASSIGNMENT/REQUESTS FOR TRANSFER

Changes in assignment shall be permitted only when space and transportation arrangements are approved by the Superintendent or designee.

Changes in school assignment for the current year will be terminated at the end of the year; however, extensions may be approved by the Superintendent/ designee. All changes in assignment shall be confirmed by a contract with the legal guardian.

In compliance with and as set forth by federal requirements, the District shall allow students to transfer to another District school if:

1. The assigned school is designated by the state as being “persistently dangerous”; or
2. The student becomes a victim of a violent criminal offense, as determined by state law, while attending school.<sup>2</sup>
