

How to connect your android device to RISD

EAP method = PEAP

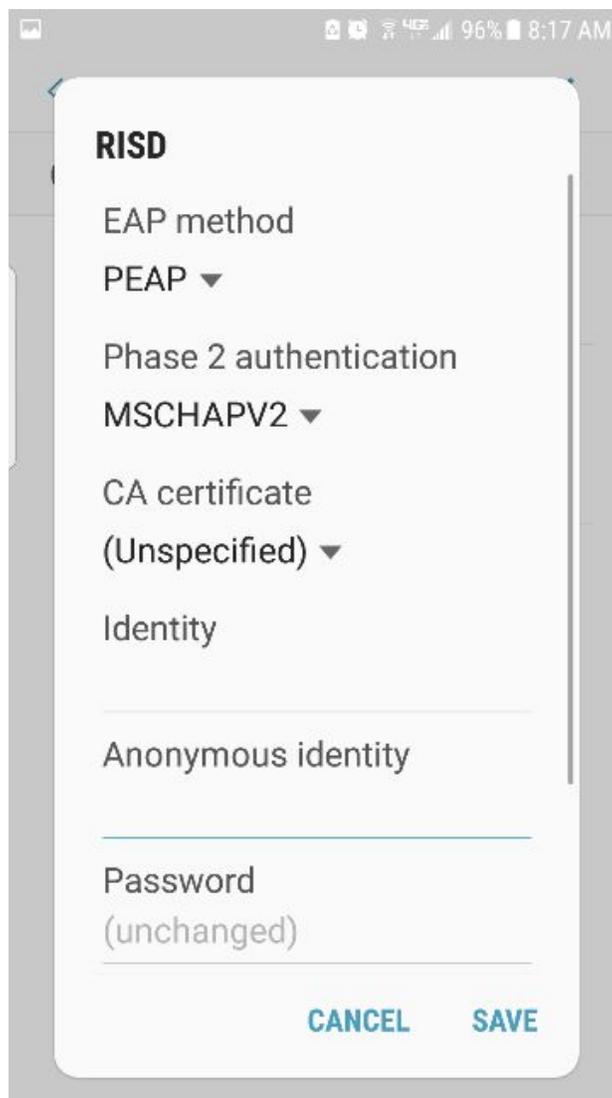

Phase 2 auth = MSCHAPv2

CA Cert = unspecified

Identity is your RISD Network/Computer Login USERNAME

Anonymous identity = left blank

Password is your pass you use to login to your computer.

The image shows a screenshot of an Android settings dialog titled "RISD". The dialog is displayed over a grey background. At the top, the status bar shows icons for signal, Wi-Fi, battery, and time (8:17 AM). The dialog contains the following fields:

- EAP method**: PEAP ▼
- Phase 2 authentication**: MSCHAPV2 ▼
- CA certificate**: (Unspecified) ▼
- Identity**: (empty text field)
- Anonymous identity**: (empty text field)
- Password**: (unchanged)

At the bottom of the dialog, there are two buttons: "CANCEL" and "SAVE".
