

# GLENOAK HIGH SCHOOL PARKING PERMIT

## STUDENT DRIVING REGULATIONS AND CONTRACT PARKING PERMIT FEE: \$50.00

### The following rules will apply to all students driving to school and using the parking facilities:

- » Abuse of the student driving regulations will result in the student NOT being permitted to drive to school.
- » All drivers shall obey the traffic laws of the State of Ohio and comply with the rules and regulations set forth by school officials.
- » Parking spaces have been numbered and will correspond with permit number. This entitles the student to park in the assigned space between 6:30 a.m. and 3:05 p.m. when school is in session.
- » Driving is a privilege that is granted to students willing to abide by the driving contract. This privilege can be rescinded.
- » The school will not be held liable for damage to vehicles or stolen items.
- » Students are required to park within the yellow lines with a valid parking permit.
- » Student parking or idling is not permitted in Zones 1, 2 or 3. Students occupying their vehicles in these areas will lose their driving privileges.
- » In all cases, a parking permit is required and can be purchased online.
  - Yearly parking permit is \$50.00.
  - Second Semester Parking permits will be issued in January for \$25.
  - The parking permit must be properly affixed to the rear-view mirror of your vehicle to be considered valid.
  - Failure to register a vehicle, parking on campus without a valid permit and/or parking in a non-assigned parking spot will result in the automatic purchase of a parking permit and a parking space assignment at the rear of Zone 5. Online paperwork must be submitted the following day, or the parking pass will be revoked.
  - In the event a student does not have \$50 to purchase a parking pass, it will be placed on the student's fees account.
- » Reckless driving which includes but is not limited to speeding, cutting off drivers, failing to abide by the painted markings and or squealing tires will result in loss of parking privileges for up to one year. The student must turn their parking permit into their Academy Principal during the suspension of driving privilege time period.
- » If a student acquires a new vehicle, it will be necessary to transfer the permit to the new vehicle by notifying the secretary in the academy office.

### Additional Rules:

- » Students are not permitted to eat, smoke, sit in or loiter around any vehicle on school grounds.
- » Students are not permitted to leave the parking lots in a vehicle for lunch.
- » Tardiness is considered an abuse of driving privileges. Prompt arrival to school is expected. Inclement weather, mechanical difficulty and traffic conditions are NOT excused reasons for tardy arrival. Every fourth tardy to school will result in discipline that could include loss of the parking permit.
- » Vehicles or automobiles parked on school premises may be subject to search based on reasonable suspicion.
- » Refusal by any of the parties to provide or allow access to a vehicle at the time of a search request shall be cause for terminating the parking privilege without further hearing.

**Please note:** All outstanding fees and fines must be paid in full, and the parking permit application must be complete and up to date before purchasing a parking permit.
