

BCHS Class Colors

While class colors may not be a part of the High school's Visual Identity, they still play an important role for Bear Creek students and traditions.

Each incoming class at Bear Creek "gets" one of four class colors: Pink, Purple, Green, or Orange. The colors are given in that order: the class color is determined by where in the pattern the class falls. Class colors play a major role in the design of each class's apparel. It is used on tote bags, fanny packs, and, of course, the ubiquitous class color T-Shirt.

There are no hard and fast rules for what the class colors are except that they have to be some kind of Pink, Purple, Green, or Orange. There are no rules for how, where, or when, they have to be used. Class colors operate outside the "official" system and can be interpreted and implemented by each class according to their tastes and needs.
