

Meadowdale Middle School Performance Report 2021-22

Mission statement of school and district

The Edmonds School District is relentlessly focused on ensuring Equity, Excellence, and Engagement for ALL students.

With our students, staff, families and entire community, we strive to provide high quality teaching and learning to serve ALL kids. We strive to disrupt institutional bias based on race, ethnicity, cultural, linguistic background, or circumstances.

About our school

Meadowdale Middle School has 715 students, evenly split into grades 7 and 8. We serve a wide variety of students, with nearly 100 ML Learners, 3 different special education programs, and a population with 40-45% qualifying for free and reduced lunch benefits. Our core values are Community, Growth and Purpose.

Accomplishments and goals

Accomplishments:

- Our staff emphasizes relationship building with students, community building in their classrooms, employing a growth oriented approach to teaching and learning, and strong collaboration within departments.
- We are committed to providing a positive learning environment that is equity based and focused on the consistent use of strong instructional practices and appropriate rigor for all students.

Academic goals:

- **Goal 1:** Between the Fall of 2021 and the Spring of 2024, students in grades 7 and 8 will be at or within 1 year of standard on the State ELA SBA. This will vary based upon their starting point as identified using iReady and Fall 2021 SBA scores.
- **Goal 2:** Between the Fall of 2021 and the Spring of 2024, students in grades 7 and 8 will be at or within 1 year of standard on the State Math SBA. This will vary based upon their starting point as identified using iReady and Fall 2021 SBA scores.
- **Goal 3:** Student attendance and sense of belonging will increase.

How you can help

Meadowdale Middle School is always in need of parents and community members who would like to volunteer their time to assist our students and staff in a variety of ways. Please contact our school office if you would like to become part of our MMS team!

Engaging families, students and staff

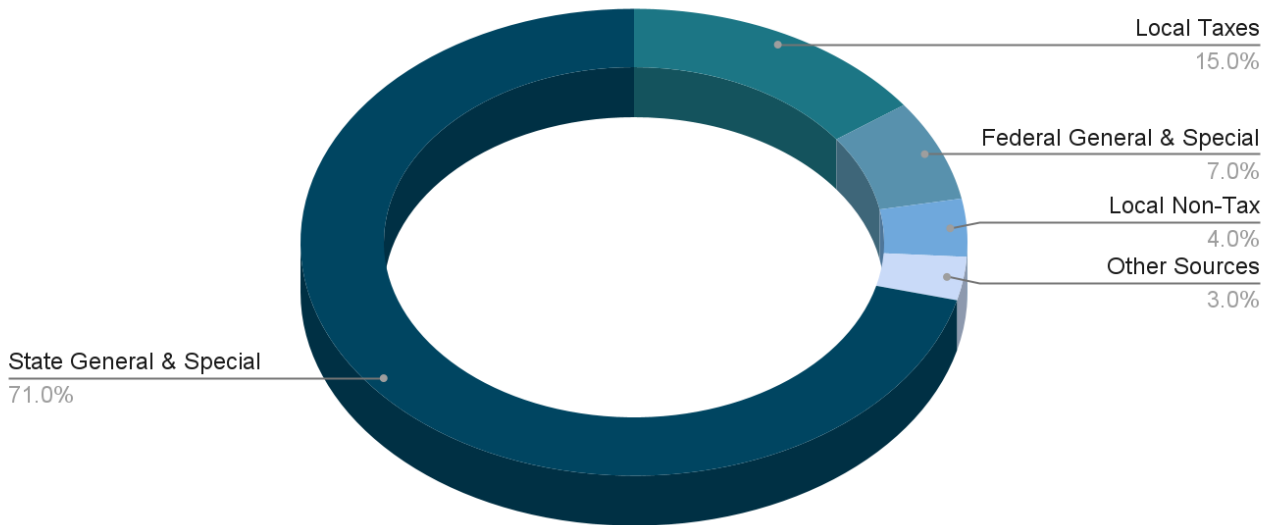

- The goals were developed primarily by our Building Leadership Council, and shared with our parent community during our September community meeting.
- English and Math teachers will conference with students during the year to inform them of their present levels and benchmarks for the next assessment.

Annual budget report

Where does our money come from? – Revenue

The district receives funding from three primary sources. The State of Washington provides approximately 71% of the funding for general operating costs, the federal government provides 7%, and 15% is generated through property taxes collected under the voter-approved Educational Programs and Operations Levy. Starting in 2019-20, the District began receiving Federal Elementary and Secondary School Emergency Relief Program funding (ESSER).

General Fund Resources: 2021-22 Budgeted Revenues

Each year, the district involves staff, students, families and community members in helping us to set budget priorities. For more information on school funding, please refer to the [2021-22 Citizen's Guide to the Budget](#). In addition, view our [2021-22 budget presentation](#).

About our building

Opened: 2011

Square footage: 102,925

We are proud that our school facility is used extensively by our community for meetings, events and youth activities.
