SPECIFIC TERMS AND CONDITIONS

PUGET SOUND TAXPAYER ACCOUNTABILITY ACCOUNT FUNDS

This INTERLOCAL AGREEMENT (the “ILA”) is entered into pursuant to the provisions of RCW Chapter 39.34 by and between SNOHOMISH COUNTY, hereinafter the “County” and the Institution of Higher Education identified on the Face Page of this ILA, (hereinafter the “IHE”), a public agency. The County and the IHE (collectively, the “Parties”) hereby agree as follows:

I. PURPOSE

The purpose of this ILA is to set forth the duties between the County and the IHE regarding the distribution of Puget Sound Taxpayer Accountability Account (PSTAA) funds. The PSTAA was created as an amendment to the 2015 State Transportation Revenue Package by the Washington State Legislature and is funded by a percentage of sales and use taxes collected from Sound Transit construction projects. PSTAA funds are to be distributed to King, Pierce, and Snohomish counties proportionally based on the population of each county that lives within Sound Transit’s jurisdictional boundaries.

Pursuant to RCW 43.79.520, counties may use distributions from the PSTAA account only to improve educational outcomes in early learning, K-12, and higher education including, but not limited to, for facilities and programs for children and youth that are low-income, homeless, or in foster care, or other vulnerable populations; and to start endowments to provide support for improving educational outcomes in early learning, K-12, and higher education. Snohomish County Council outlined additional guidance for use of PSTAA funds collected in the Snohomish County subarea in its Motion 20-553, and updated guidance in its Amended Motion 21-089.

II. TERMS AND CONDITIONS

As provided by RCW 39.34.040, this ILA shall not take effect unless and until it has (i) been duly executed by both parties, and (ii) either filed with the County Auditor or posted on the County or IHE’s Interlocal Agreements website (“Effective Date”). The ILA shall continue in effect until terminated by either party according to the termination provisions of the Basic Terms and Conditions. Notwithstanding the Effective Date of this ILA, all activities described in the ILA that are performed on or after the start date on the Face Page of the ILA shall be governed by the terms of this Agreement.

A. Compliance with Specific Laws, Regulations, and Agreements

1. Contingent upon allocation of PSTAA funds by the State, the IHE expressly agrees to undertake projects and programs consistent with Puget Sound Taxpayers Accountability Account Act RCW 43.79.520, Snohomish County Council Amended Motion 21-089, and any additional requirements that may be imposed by the Washington State Legislature or the County Council provided such additional requirements by the County Council are not inconsistent with the IHE's duties and responsibilities under existing law.
2. Administrative expenses paid with PSTAA funds under this ILA may not exceed more than 10% of the total annual PSTAA allocation.
3. The IHE shall ensure compliance with all applicable sections of the Revised Code of Washington (RCW) and Washington Administrative Code (WAC) and any RCW and WAC requirements as amended.
4. The IHE also agrees to comply with all other applicable federal and state statutes, regulations, and executive orders.

B. Appropriation of Funds

2. Central Puget Sound Regional Transit Authority – Schedule of Sources and Uses of Funds by Subarea year ending December 31, 2019;
3. Other applicable federal, State, and local laws, regulations, and policies governing the funds provided in this ILA.

PSTAA funds will be allocated on an annual basis, at the direction of Snohomish County Council, from 2021 through 2036 or until PSTAA funds have been entirely allocated per RCW 81.112.360; or until either party terminates this ILA, whichever is earlier. It is expressly agreed and understood that the total amount to be paid by the County under this ILA shall not exceed the total funds appropriated to the IHE each year and included in an amendment signed by Parties. Annually by June 30, the parties will submit an agreed-upon Services and Expenditure Plan for the upcoming year, for approval by motion by County Council. Upon approval by motion, the Services and Expenditure plan becomes an enforceable part of this ILA.

C. The Puget Sound Taxpayers Accountability Account Act is created in the state

treasury. Moneys in the account may be spent only after appropriation.

1. IHEs shall expend funds in compliance with the Puget Sound Taxpayers Accountability Account Act and any additional requirements that may be imposed by the County Council or the State Legislature, provided such additional requirements by the County Council are not inconsistent with the IHE's duties and responsibilities under existing law.
2. Funding under this ILA is subject to appropriation by both the State Legislature and the County Council.
3. The County will not provide funding to continue programs or projects when appropriations from the State Legislature are not made, including when funding ends.
4. Appropriation percentages, which are based on population, may be revised by the County following the 2020 and 2030 censuses.
5. In order to allocate PSTAA funds to efforts, programs and/or projects demonstrating the highest level of success in improving educational outcomes, the Snohomish County Council may choose to adjust, on an annual basis, the allocation percentages for distribution based on the fund recipients' performance. The County Council shall provide the IHE advance notice of any planned adjustments affecting the IHE's allocation percentages by no later than May 31 of each year or thirty days before the IHE's annual PSTAA Services and Expenditure Plan (Exhibit D) is due to the County, whichever is earlier.
6. Within two years of the State Legislature's appropriation of PSTAA funds, unused funds may be re-allocated by the Snohomish County Council to the remaining Institutions of Higher Education.
7. PSTAA funds are intended to benefit residents of the RTA and shall be used accordingly as outlined in Exhibit B – Statement of Work.

Description of proposed use of funds: Our Family Engagement team recognizes a need for a Family Resource Advocate focused on our Early Learning programs in the Edmonds School District. Family Resource Advocates are already in place by district quadrant to serve the needs of K-12 families. This additional Family Resource Advocate would serve families of young children who are most vulnerable to the impact of gentrification and the aftermath of COVID pandemic need support and help navigating very complicated systems. This funding would allow our Family Engagement team to expand to better support families within our early learning programs by increasing the tier 3 supports for the most highly impacted families. The Family and Community Engagement Coordinator can

then work with service teams (ECEAP Family Support Specialists, for example) to continue to address the needs of families.

The funding would cover one Family Resource Advocate working 8 hours a day for 185 days a year which is the standard contract for school building supports. The Family Resource Advocate would provide families with support in navigating both the school and outside systems to support their students' learning outcomes. Their role would work with both program staff and Family Engagement team to implement family engagement strategies that would build families stability and understanding of learning outcomes for their students in a culturally responsive way. Our Family Engagement team is part of the Equity and Student Success team and leads with an equity lens.

Families receiving benefit of these services reside within the RTA of Snohomish County.

Proposed performance indicators for educational outcomes:

- Increased culturally responsive family engagement opportunities and attendance at both Alderwood Early Childhood Center and Woodway Center in the Edmonds School District.
- Increased support for families experiencing homelessness, students in Foster Care and those experiencing other economic hardships.
- Increased family understanding of social emotional needs of students through learning and application.
- Increased support of families with limited English proficiency in navigating the educational school system.

<p>Description of proposed use of funds: Funds requested will be utilized to create a unique "Child Care Circles" (Triple C) program. The program will recruit a cohort of 8-9 Latino mothers who are in need of pre-k childcare services. The Triple C concept will have four objectives: (1) the project will provide the mothers proper early-childcare training in order for them to provide consistent service and care to the children under their care; (2) create a quarterly rotation system so the mothers can share in the childcare of their children; (3) provide time and opportunities for the mothers to attend courses, complete assignments or projects assigned to them, or work in order to increase their earning potential; and (4) design a replicable model for others to implement. A key outcome is that instead of paying for childcare, the mothers will be trading childcare services for valuable time to empower themselves.</p> <p>To create a program of this kind, full collaboration with a community agency or a non-profit organization, such as LETI, is of paramount importance. LETI will leverage the expertise of Edmonds College, the University of Washington, and the Edmonds School District to meet this need. These four organizations will work together to develop the curriculum, create the model, and build the foundation for a successful, replicable program.</p> <p>Families receiving benefit of these services reside within the RTA of Snohomish County.</p>

Description of proposed use of funds:

Access to high quality childcare in South Snohomish County is a critical need. In order for families to recover from COVID pandemic impacts, whether through career advancement, education or return to employment, additional supports are needed for childcare for their young children.

Given the need for childcare in South County, we will pilot wrap around childcare for preschool aged children at the Woodway Center this year. We will begin services by January 2022. We will provide support for Developmental Preschool and ECEAP families to apply for Working Connections Child Care subsidies and procure additional resources to provide scholarships to any income eligible preschool students.

Our project will provide up to 20 afternoon wrap around childcare slots for students in the morning sessions and up to 20 morning wrap around childcare slots for students in the afternoon sessions.

Families receiving benefit of these services reside within the RTA of Snohomish County.

Proposed performance indicators for educational outcomes:

To be developed by YMCA of King County representative (TBD) and Darcy Becker from the Edmonds School District.
