

WHEN NOT TO SEND YOUR CHILD TO SCHOOL

If any of the following conditions are present within a 24 hour period prior to the start of a school day:

- Fever greater than 100.5 degrees Fahrenheit
- Vomiting
- Diarrhea
- Too uncomfortable to stay in school due to pain
 - Post fracture pain
 - Surgical pain

- A contagious disease such as chicken pox, strep throat, pink eye or contagious rash.
 - A "release to school" note signed by a doctor must accompany the student to school and be turned into the health office before a child can be admitted to school.

If your child becomes injured or ill in school, the parent or guardian will be contacted.

- Please designate at least two emergency phone numbers.
- Keep the school office informed if these phone numbers change.
- Make sure work numbers or other numbers which may need to be used to contact parents are designated on school forms.

ABSENCES

If a student is absent, the parent and/or guardian **MUST** notify the school office in advance or before 9:00 a.m. on the day of the absence. The parent and/or guardian **MUST** send a written note upon the student's return to school. The note should include the following:

- Date(s) of absence
- Reason for absence
- Signature of parent and/or guardian

EXTENDED ABSENCES DUE TO ILLNESS

If your child has been absent for five (5) or more consecutive school days, a physician's statement is required for your child to return to school. This statement must contain the reason for the absence and state that the child is well enough to return to school.
