

## Instrumental Music ABSENCE NOTIFICATION

In order to have an excused absence from a band performance, this form must be filled out and turned in *at least* four weeks prior to a concert performance and one week before an absence from a sporting event.

This form can be emailed to Mr. Onishi at OnishiP@edmonds.wednet.edu or printed on a full 8.5 x 11 paper and put into the inbox. No other notes will be accepted.

If any information is omitted, the absence will be unexcused.

The same acceptable absence excuses that apply to school attendance and are also listed in the band syllabus will also apply to performance absences.

Work is NOT an excused absence.

In the event of an emergency, parents need to still complete this form and the student must turn it in the next school day. A call or a text in emergency situations is appreciated.
