

Uniforms

Section A - Introduction

It is the policy of the Board of Education that the school district will furnish uniforms at the school district's expense to employees filling positions that require the wearing of uniforms.

Section B - Uniform Allocation

The department's administrator will be responsible for ordering uniforms for all employees filling positions that require the wearing of uniforms.

Employees will be provided a minimum of five (5) uniforms per fiscal year.

Employees required to wear protective footwear will be provided an allowance for one (1) pair per fiscal year.

Section C - Uniform Wearing Requirement

All employees filling positions that require the wearing of uniforms are required to wear the apparel provided by the school district while on duty.
