Elida Middle School offers a strong program in academics, sports, clubs, and recreational activities. We know that each of you has a special contribution to make. Our expectation is that you take advantage of the opportunities available.

The Elida Middle School staff is committed to assuring that every student progresses educationally. To achieve this objective, communication between the school and home is essential. Regular parent-school contacts can be expected. We invite parents to become actively involved with the Parent Teacher Organization and to volunteer to assist with activities at our school.

This handbook has been prepared to enable you to be aware of the policies, instructional and recreational programs, and extracurricular programs of the Elida Middle School. This information has been carefully prepared so that it will be of great value in helping you adjust to our school and become an integral part of it.

Best wishes for success and happiness during your years at Elida Middle School. All staff members are ready and willing to help you in every possible way. Please feel free to go to any member of the staff for assistance.

Douglas Drury, Principal
Nick Morris, Assistant Principal

This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the School's rules. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guidelines prevails. Copies of current Board policies and administrative guidelines are available on the District's website.

DISTRICT BELIEFS

- Education is the collaborative responsibility of students, families, schools, and the community.
- All individuals are to be treated with dignity and have the opportunity to learn in a safe, stimulating and respectful climate that emphasizes the personal worth of all members of the community.
- Students should be challenged with high expectations and requirements, including the mastery of essential skills.
- Individuals learn in different ways at different rates.
- Education should promote learning skills that are relevant to a rapidly changing global community.
- School personnel will aspire to high standards and a commitment to innovative services (practices, programs, procedures, and approaches) through continued professional growth.

BUILDING GOALS

1. To increase our students' knowledge and proficiency in all areas of the core curriculum.
2. To integrate technology into the curriculum.
3. To enhance the curriculum through the use of innovative teaching techniques and practices.
4. To have a strong internal and external communication system in place.

SCHOOL HOURS

The normal school day for students will be from 7:40 A.M. to 2:45 P.M. The school office will be open from 6:45 A.M. to 3:30 P.M.

ARRIVAL

If students are going to be dropped off at school, parents should arrange this so that the students **DO NOT ARRIVE PRIOR TO 7:15 A.M.** **Students are to be dropped off in the front of the building.** Those students that arrive before the buses unload must be seated in the Commons.

PICKING UP CHILDREN DURING SCHOOL HOURS

For the safety of the children, it is necessary that certain procedures be adopted and closely followed regarding the release of children at school. During school hours, students are released only through the school office. If you need to pick up your child during the day, please stop at the office and your child will be called over the intercom to come and meet you. If you know in advance that you will be picking up your child, it is desirable that you send a note and the student will have it approved at the office the first thing in the morning. Students are to be picked up in front of the building during and after school.

PUPIL INFORMATION/CHANGE OF ADDRESS

If your last name, street address, or telephone number changes at any time during the school year, please notify the office immediately. This is very important in keeping our records up-to-date and also in being able to contact a parent or guardian in the case of an emergency.

POSITIVE BEHAVIOR INTERVENTION AND SUPPORT

Elida Middle School is committed to inspiring students to be respectful, responsible, and ready learners. We are committed to giving each student a safe, secure, and encouraging environment to learn, and nurturing traits that will support them into adulthood. Elida Middle school has incorporated multiple building and community resources into a PBIS program. As part of a positive behavior intervention and support system, PAW cards, PAW Signatures, student activities, and partnerships with local organizations are used in conjunction with our student code of conduct and building behavioral matrix to provide a system of behavior intervention and recognition.

The PBIS program at Elida Middle School is designed to recognize and support the development of positive traits in young adults that we believe are part of the solid foundation that all students need to be successful.

This program is sponsored by a local partnering organization that rewards students weekly, monthly, semester, and annually for acts of positive behavior. The program is cumulative and acts of kindness, community involvement, or academic accomplishment is rewarded with a teacher signature on the student's PAW Points sheet. Students may redeem their PAW Signatures to for a variety of rewards and activities.

CHARACTER

Elida Middle School will focus on character traits monthly. Each trait will be emphasized and we will encourage acts demonstrating these traits as staff discuss each during the month, rewarding students with PAW Signatures.

Elida Middle School has many after school activities for you. However, many of them have a charge. If you wish to attend you must buy your ticket before the event during the school day. If you attend, remember to let your parents know that you will be there and when to pick you up. CODE OF CONDUCT AT ELIDA MIDDLE SCHOOL

In order for any organization to function properly, there must be certain expectations for performance. Elida Middle School has expectations of behavior that will provide for an orderly school atmosphere. Our goal is to develop students that are self-disciplined and are able to make good judgments about acceptable behavior. Our philosophy is that no student should be allowed to disrupt the learning of other students.

In addition, this Code of Conduct includes

- 1) misconduct by a student that occurs off school district property but is connected to activities or incidents that have occurred on school district property; and
- 2) misconduct by a student that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.

DISCIPLINE

You are responsible for your own actions. All discipline will be handled on an **individual basis** when the need arises. The main goal in our school is education. Everyone should have an equal opportunity to work toward achieving this goal. Anyone who distracts or prevents others from reaching this goal will receive disciplinary action. Whatever steps are necessary to correct the problem will be taken. This includes parent conferences, staying after school, in-school and out-of-school suspension and expulsion. **The administration reserves the right to**

exercise flexibility in the administration of all disciplinary action. Disciplinary actions are based on the philosophy of progression. Therefore, as referrals to the office mount, more severe penalties will be progressively implemented. The intent of this philosophy is to modify, perhaps eliminate, undesirable behavior.

Unless otherwise indicated, the penalty for the violation of any of the following rules may be, but are not limited to, a warning, lunch detention, Administrative Detention, Tues-Thursday school detention, in-school suspension, suspension, expulsion or permanent expulsion from school pursuant to the Ohio Revised Code, Section 3313.66.

Students who are suspended or expelled may not be present on school property, participate or attend any school activities or contests, or be present at activities, or on property controlled by the school.

DUE PROCESS

Due process in the context of quasi-judicial administrative proceedings, carried out by the school authorities, does not mean that procedures used in courts in juvenile proceedings must be followed exactly by school authorities when engaged in school-related disciplinary actions. It does mean that clear, definite, and fundamentally fair rules of procedure must govern disciplinary actions taken by school authorities.

According to Ohio law, Section 3313.66 O.R.C., a student must be given written notice of intent to suspend, with reasons for the intended suspension, and an opportunity to explain his/her behavior to the school administrator. The Elida School District will follow Due Process procedures as outlined in the District NEOLA Policy 5611.

A. Demerits

Teacher intervention is the first stage in correcting inappropriate behavior. If you disrupt class, you can be asked to leave the instructional setting and report to the **Reset Lab** for the remainder of the period. You will resume your regular schedule the following period.

If you violate a classroom rule, the teacher will discipline you. Continued violation of classroom rules within a single class period may result in being issued a demerit.

Excessive demerits in one month may result in an office referral. Reset Lab assignments result in a lunch detention the following day.

***Excessive trips (2X in one day or 3X in 5 school days) to the Reset Lab room may result in further disciplinary action including after school detention or suspension issued by the office.**

B. Office Referral

Because it is not possible to list every misbehavior that occurs, misbehaviors not included will be responded to as necessary. The consequences for misbehavior described below are designed to be fair, firm, and consistent for all students. If the situation merits, a referral to the police and/or courts will be made.

Hazing is defined as any act of coercing another, including the victim, to do or initiate any act against any student or other organization which causes, or creates a substantial risk of causing, mental or physical harm to any person. Permission, consent or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy. Hazing activities of any type are inconsistent with the educational process and will be prohibited at all times. RULE #21 – SCHOOL TRANSPORTATION

Students on a bus are under the authority of, and directly responsible to, the bus driver. The driver has the authority to enforce the established regulations for bus conduct. The Board of Education recognizes that the misuse of drugs is a serious problem with legal, physical, and social implications for the whole school community.

The Board prohibits the use, possession, concealment, or distribution of any drug or any drug-related paraphernalia as the term is defined by law, or the misuse of a product containing a substance that can provide an intoxicating or mood-altering effect on school grounds, on school vehicles, or at any school-sponsored event.

ADMINISTRATIVE DETENTION

Middle school students who have been assigned an Administrative Detention will be held in detention from 2:50-3:50 at Elida Middle School. Students are expected to report to the middle school library immediately after school, with school tasks to work on during detention. Parents are required to pick up their students on time. The monitor will not stay to supervise students waiting for rides.

TUESDAY/ THURSDAY SCHOOL REGULATIONS

Tuesday-Thursday School is an alternative to in-school and out-of-school suspension. The assignment of a student s to Tuesday-Thursday School provides the school the opportunity to administer effective, corrective discipline against a student who has broken school rules and allows that student to pay the assessed penalty without interruption to his/her educational program. Middle school students who have been assigned a Tuesday/Thursday School will be bused to the high school after-school, on the day of their assignment. They will be held in detention from 3:00-5:00, and will need transportation home from the high school by 5:05. The monitor will not stay to supervise students waiting for rides. Parents are required to pick up their students on time.

SATURDAY SCHOOL REGULATIONS

Elida Local District Schools uses the Saturday School detention to help students stay in school and provide an opportunity for supervised study by providing a consequence as an alternative to out of school suspension. Arrangements must be made for students to be dropped off at the Middle School by 8:00 A.M, and picked up by 12:05 P.M. The monitor will not stay to supervise students waiting for rides. Parents are required to pick up their students on time.

STUDENT MEDICATION

If it is necessary for a student to take any type of medication during the school day, including over-the-counter and prescription medication, the student must have a completed Medical Authorization Form on file with the principal /nurse. The forms are available in the principal's office and on the district's web site. The physician's signature and parent/guardian's signature are required on the form. The prescription must be in the original container dispensed by the pharmacy. Over-the-counter medication must be in the original package. A new Medication Authorization Form must be submitted each school year.

Medication, with the exception of a prescribed rescue inhaler, must be kept in the principal/nurse's office and may only be administered by a school official at the prescribed time. Medication may NOT be transported with the student via the school bus. The only other exception will be throat lozenges or cough drops, in which case the parent/guardian must send a note giving permission for their use.

All lost and found items, including books, should be turned in to the front office. Any student who has lost articles should report the loss and check to see if they have been turned in to the office.

LUNCHROOM

You may purchase a lunch at school or bring one from home. You may purchase your lunch on daily basis or deposit money in our computerized lunch system and draw from that account to purchase meals and extras. The cashiers will keep your child informed of their balance in this account and remind them to deposit into the account when the funds are low. No cash change will be given to students for fifty (\$50) dollar bills, or greater. Any student giving the cashier a fifty dollar bill or greater, will have it deposited directly into their student meal account. Free lunches or reduced-cost lunches are available to children who are determined eligible following the return of applications, which will be made available to all families at the beginning of the school year. Applications are also available all year long should the need arise later in the school year.

Elida Middle School offers breakfast each morning. Breakfast is offered to all students regardless of their meal status & is served every day, including delay days. The middle school will offer breakfast in the commons area each morning 7:33am - 7:40am. Students wanting breakfast are to come to the cafeteria directly from the bus or parent drop off area. The USDA is an equal opportunity provider

Students may not charge more than 3 lunches. Students who are over the charge limit will receive a cheese sandwich and milk until the charges are paid. Any credits or charges will be carried over from year to year. A credit card online payment service is available at payschoolscentral.com. Contact the Food Service Supervisor for more information regarding this service

The Elida Middle School has a closed campus lunch. You may not leave the building without permission. Outside deliveries of food are not permitted.

Parents/Guardians who would like to eat in the cafeteria with their student must request to do so through the main office, 24 hours in advance.

INTERROGATIONS AND SEARCHES

The Elida Middle School has the responsibility for the control and management of the students during the school day and hours approved for extracurricular activities. While discharging its responsibility, the administration is to make an effort to protect each student's rights with respect to interrogations by law enforcement officials. The administration has developed regulations to be followed in the case of searches and interrogations.

The right of inspection of students' school lockers or articles carried upon their persons, vehicles parked on school property and the interrogation of an individual student are inherit in the authority granted school boards. All searches are conducted sparingly and only when such search is reasonably likely to produce anticipated tangible results to preserve discipline and good order or promote the safety and security of persons and their property within the area of the school's responsibility.

LOCKERS

A locker is assigned for student convenience, for storage of outer garments, and school materials. The lockers are the property of the school and are not the student's private property. They may be opened and searched by school authorities at any time. This statement is "prior notice" of locker searches. Any unauthorized items found in a locker may be removed. Students will be held responsible for the condition of

their lockers. The school expects students to maintain their lockers in a manner befitting any school property. Graffiti, either inside or outside the lockers, is not allowed. Students who damage lockers will be held accountable. Students should not share lockers or locker combinations. Such actions compromise the security of student lockers. **THE SCHOOL IS NOT RESPONSIBLE FOR ANY GOODS LOST OR STOLEN AT SCHOOL.**

NOTE: If you enter another student's locker without permission and take any items it could result in a suspension, and/or police action.

PORTABLE ELECTRONIC DEVICES/ CELL PHONES

Portable electronic devices such as CELL PHONES, MP3 players, ipods, radios, cassette players, CD players, and laser pointers and any other electronic devices are not permitted to be used during class or class exchanges. Students may possess wireless communication devices in school, on the school property, during after school activities(e.g. extra-curricular activities) and at school related functions. The wireless communication devices should be powered completely off (i.e. not just placed on vibrate or silent mode), and stored out of sight; if they are used or disrupt class they will be confiscated. Headphones may not be used or worn at any time classroom, hallway, or restroom. Headphones should be removed once a student enters the building. Students are permitted to use headphones during their lunch period in the cafeteria. Students are prohibited from capturing pictures or videos. School personnel will confiscate these items if they are being used or heard in the classroom, hallway, or restroom. Parents will need to pick the phone up in the office. Students may receive an after school detention and repeated violations of any part of this policy may result in progressive disciplinary actions being taken against the student.

Sexting: Students who are sending, sharing, viewing, possessing, or requesting pictures, text messages, e-mails or other material of a sexual nature in electronic or any other form on a cell phone or other electronic device, are subject to school punishment that could lead to suspension and or expulsion. Students may also be subjected to criminal charges as defined by law.

ATTENDANCE

A. Absence from school

Regular attendance is required of all students. Whenever an absence occurs, parents should try to contact the school (419-338-6802) prior to 8:00 a.m. on the day of the absence. If the school office does not receive a phone call or note within 24 hours of the student's return to school, the absence will be considered unexcused and may warrant school disciplinary action.

B. Excused Absences

Ohio law entrusts us with accounting for the attendance of all students. Students and parents are both bound by Ohio attendance requirements. Such requirements state that students must be present at school unless excused for one of the following reasons listed below.

1. Personal illness (15 days total for the YEAR), a physician's certificate will be required after the 15 days are used.
2. Illness in the family requiring student presence at home.
3. Quarantine of the home.
4. Death of a relative (please provide a copy of the obituary or memorial card)
5. Observance of religious holiday.
6. An emergency or set of circumstances that in the judgment of the principal/ or vice principal is sufficient cause for absence.

Note: The determination as to whether an absence is excused or unexcused rests with the building administration.

A student must have a medical excuse from a doctor when absences due to personal illness exceed 15 days in a school year and are not verifiable by other known circumstances. Any absence due to personal

illness thereafter not accompanied by a medical excuse will be considered unexcused.

Unexcused absences include:

1. oversleeping,
2. missing the bus
3. shopping
4. baby-sitting
5. job-interviews, etc.

C. Medical Appointments

Students who have a scheduled medical appointment during the school day should bring a note signed by a parent/guardian no later than the morning of the appointment. Notes should be turned in to the attendance secretary. Medical excuse from doctor's office required upon return.

D. Vacations

Parents who wish to take students out of school for vacations/other trips should contact the principal or assistant principal at least a week in advance of the anticipated trip.

Vacation/trips, which exceed five school days, may be treated as unexcused absences. Students should complete a Pre-Approved Absence Request form. Vacation request forms may be obtained in the office. Failure to fill out the form in advance of the absences may result in the absence being considered unexcused.

E. Unexcused Absences

If a student (including suspended students) has an unexcused absence, assignments CAN be made up, credit will be reduced to 80% of that which a student normally would have received. Students are encouraged to complete work to remain current with the class.

Excessive truancy will be addressed in accordance to Board Policy and Ohio Revised Code. Students in violation of Ohio's mandatory school attendance laws, will be referred to Allen County Juvenile Court.

- **Unexcused absences from school may also warrant school disciplinary action.**

F. Tardy to School and to Class

All students entering school after 7:40 A.M. must report to the Middle School Office, sign in, and receive a class admission slip. The teacher will not admit the student to class without a valid admission slip.

Students arriving between 7:40 A.M. and 8:15 A.M. will be considered tardy. Students arriving after 8:15 A.M. will be considered late and be assigned ½ day absence. After three infractions in a semester, a student may be issued an office referral and progressive disciplinary action may be taken.

For the purpose of consistency, classroom tardiness is defined as a student not being in his/her assigned location at the appropriate time.

Teachers may define "assigned location" in their classroom rules. Students have the responsibility to be familiar with individual teacher expectations and teacher and office imposed penalties for classroom tardiness.

G. Make-up Work (Excused Absences)

The basic rule to follow is that a student is given an equal amount of time to make up work missed during an absence, which is equal to the number of days absent plus one. A student's grade will not be reduced due to an excused absence if the student's work is completed using the number of days absent plus one rule. The first day a student returns

from an absence is to be considered a contact day with his/her teachers. It is the sole responsibility of the student to initiate contact with the teachers regarding work missed during an absence and appropriate arrangements for make-up work. The expectation for a student that misses the day before an announced test/quiz is that the student will take the test/quiz. If a student is absent the day(s) before the test/quiz, the equal number of days plus one will be given to the student.

REMOTE LEARNING DAY

If circumstances necessitate the need for the entire building to have a remote learning environment, Students and Parents will be notified by the administration. At this point, students will be expected to complete school work online. Attendance will be tied to a student's submission of work for that day. If a student fails to submit work to their teacher by the given deadline, they may be considered absent from school that day.

ABSENCE AND EXTRA-CURRICULAR ACTIVITIES

A student's absence on the day of an athletic event, school production, or any other extracurricular activity will render the student ineligible for participation in that day's event (including practices and rehearsals). Students must be in attendance from 10:31 to 2:45 to be eligible to participate in school-sponsored, extracurricular activities that day. Exceptions would be a student leaving school for a doctor's appointment, funeral or other justifiable absence other than illness that has been pre-approved by school administration.

PROHIBITION FROM EXTRA-CURRICULAR ACTIVITIES

Participation in extra-curricular activities, including interscholastic sports, is a privilege and not a right. Therefore, the Board of Education authorizes the Superintendent, principals, and assistant principals and other authorized personnel employed by the District to supervise or coach a student activity program, to prohibit a student from participating in any particular or all extra-curricular activities of the District for offenses or violations of the Student Code of Conduct/Student Discipline Code for a period not to exceed the remainder of the school year in which the offense or violation of the Student Code of Conduct/Student Discipline Code took place.

In addition, student athletes are further subject to the Athletic Code of Conduct and may be prohibited from participating in all or part of any interscholastic sport for violations therein.

Students prohibited from participation in all or part of any extra-curricular activity are not entitled to further notice, hearing, or appeal rights.

DRESS CODE

Elida Middle School is a place of business. We expect our students to dress in a manner that is not distracting to the business of education. In general, dress should be such that it ensures the health, welfare, and safety of the members of the student body. Dress should promote a positive images of students and our school. Appropriate dresses/skirts and shorts may be worn if they are fingertip length (mid-thigh) when standing up with arms at one's sides. Holes and tears in pants/shorts/skirts that show skin must be at or below fingertip length. Holes and tears in clothing anywhere on the body that are excessive are not acceptable. Overly fitted, and/or see-through, and/or sheer, and/or transparent legwear is only acceptable if it is covered by a skirt/dress, sweater, and/or top which is at least fingertip in length. The judgement of this will be made by appropriate school personnel.

3. Tops: Tops should be respectable and non-revealing. Backs, midribs, and sides should all be covered. Spaghetti straps, crop-tops, see-through tops, and halter tops are not acceptable. All bra and cami-straps must be concealed. Off the shoulder shirts should not be worn. Clothing that is see-through, sheer, or transparent should have an appropriate undergarment that meets the dress code standards. Shirts and sweatshirts (hooded or zipped) should be appropriately sized and not "dress-like." Any shirt or sweatshirt worn in an effort to cover sagging pants will be considered a dress code violation. Only commercially produced tops will be permitted and any groups/organizations wanting to create their own design(s) need to be approved by the administration.

4. Clothing which contains sexually suggestive language or pictures, inappropriate language or gestures, or promotes the use of tobacco, alcohol, drug use, or violence shall not be permitted.

7. Coats, jackets, and backpacks are not permitted in the classroom unless approved by the Principal or Assistant Principal.

8. Students are prohibited from wearing clothing/apparel that is, or may be perceived as gang identification or affiliation.

The final decision on appropriate dress shall rest with the building administration. In all cases of questionable dress, the administrators reserve the right to make judgments and decisions regarding "appropriateness and acceptability" of such clothing. Violations of the dress code may result in a warning, administrative detention, Tuesday-Thursday school assignment, Saturday School Assignment, or progressive suspension. A student who is sent home for a change in dress will be considered unexcused during his/her absence.

NOTICE OF VIDEOS AND PICTURES

Throughout the year, we will be documenting activities using video and "still" pictures. If you are opposed to being included in these, please submit your written request to be excluded to the principal's office by September 15 or ten (10) days after enrollment into Elida Middle School.

SURVEILLANCE CAMERAS

For Students' safety and welfare, video surveillance cameras are placed throughout the building, school grounds and on buses. Actions recorded on these cameras may be used as evidence in disciplinary action. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the school and referral to local law enforcement agencies.

Due to privacy rights of students, these recordings are not open to public view.

PARENT RIGHTS TO REVIEW EDUCATIONAL RECORD

Student records shall be available only to students and their parents, eligible students, designated school officials who have a legitimate educational interest in the information, or to other individuals or organizations as permitted by law.

The term "parents" includes legal guardians or other persons standing in loco parentis (such as a grandparent or stepparent with whom the child lives, or a person who is legally responsible for the welfare of the child). The term "eligible student" refers to a student who is eighteen (18) years of age or older, or a student of any age who is enrolled in a postsecondary institution.

Both parents shall have equal access to student records unless stipulated otherwise by court order or law. In the case of eligible students, parents may be allowed access to the records without the student's consent, provided the student is considered a dependent under section 152 of the Internal Revenue Code.

TITLE IX - DISCRIMINATION/SEXUAL HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation and transgender identity), disability, age, religion, military status, ancestry, genetic information (collectively, "Protected Classes"), or any other legally protected category, in its programs and activities, including employment opportunities. The Board of Education does not condone unwelcome sexual conduct that is severe, pervasive, and is objectively offensive that it effectively denies a person equal access to an educational program or activity.

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed below for the Title IX Coordinator.

The Board designates the following individuals to serve as the District's "Compliance Officers" (also known as "Civil Rights Coordinator").

FERPA AND DIRECTORY INFORMATION

Each year the Superintendent shall provide public notice to students and their parents of the District's intent to make available, upon request, certain information known as "directory information." The Board designates as student "directory information": a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; or awards received.

Parents and eligible students may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board within five (5) days after receipt of the Superintendent's annual public notice.

GIFTED INFORMATION

DEFINITION - "Gifted" means students who perform or show potential for performing at remarkably high levels of accomplishment when compared to others of their age, experience, or environment and are identified under (A), (B), (C), or (D) of section 3324.03 of the O.R.C. **SCREENING AND ASSESSMENT** - The District uses a three-part approach to screen students who perform or show potential for performing at high levels of accomplishment in the areas of superior cognitive ability, specific academic ability, creativity, and visual and/or performing arts.

Stage 1: Pre-Assessment

The pre-assessment part of the process involves gathering student data from a variety of sources including teacher, parent, and peer nominations, grades, portfolios, observations, review of student records, and outstanding products or performances, etc. All students are involved in the pre-assessment pool. By using the pre-assessment process, the District ensures equal access to screening and further assessment by all district children, including culturally or linguistically diverse children, children from low socioeconomic backgrounds, children with disabilities, and children for whom English is a second language.

Stage 2: Assessment For Screening

The screening stage examines the data gathered from the pre-assessment stage and determines if additional assessment is necessary. In making decisions about additional assessment, existing test data for students is not the sole determining criteria. School personnel examine all available information about a student to determine if an evidence of possible giftedness exists for that student and conduct necessary additional assessment. District-determined cut-off scores, to move students from screening stage to the assessment stage, are lower than the scores necessary for identification. Parents must be notified within thirty days of the results of screening.

Stage 3: Assessment For Identification

Assessment strategies provide additional data necessary for an individual decision and the delivery of services. Strategies for additional assessment include the individual and group-testing requirements of Sections 3324.01-3324.07 of the Ohio Revised Code; and as described in the Gifted Identification pamphlet.

Once additional assessment has been completed, the data obtained throughout the stages of identification are evaluated, the identification decision is made and student's educational needs are determined.

REFERRAL – The district ensures there are ample and appropriate scheduling procedures for assessments and reassessment using:

Group tests, Individual-administered tests, Audition, Performance, Display of work, Exhibition, Checklists

Children may be referred on an ongoing basis, based on the following: Child request (self-referral), Teacher recommendation, Parent/Guardian request, Child referral of peer, Other (e.g. psychologist, community members, principal, gifted coordinator, etc.)

Upon receipt of a referral, the district will follow the process as outlined in this brochure and notify parents of results of screening or assessment and identification.

The District shall provide at least two opportunities a year for assessment in the case of children requesting assessment or recommendation for assessment by teachers, parents, or other children.

GENERAL - The district accepts scores on assessment instruments approved for use by the Ohio Department of Education provided by other school districts and/or trained personnel outside the school district.

TRANSFER – The district ensures that any child transferring into the district will be assessed within 90 days of the transfer at the request of the parent. Parents shall contact the building principal.

SERVICES - The district ensures equal opportunity for all district students identified as gifted to receive services offered by the district.

WITHDRAWAL - If at anytime, a student wishes to withdraw from gifted programs or services, the request should be written by the parent or child to the building administrator. If children request to withdraw, parents will be notified.

APPEAL PROCEDURE – An appeal by the parent is the reconsideration of the results of any part of the identification process, which would include:

Screening procedure or assessment instrument (which results in identification)

The scheduling of children for assessment

The placement of a student in any program

Receipt of services

Parents should submit a letter to the Superintendent or designee outlining the nature of the concern.

The Superintendent or designee will convene a meeting with the parent/guardian, which may include other school personnel.

The Superintendent or designee will issue a written final decision within 30 days of the appeal. This written notice should include the reason for the decision(s).

If you have any questions or to receive a copy of HB282, please call your building principal.

Section VI: TECHNOLOGY ACCEPTABLE USE POLICY – 7540.03

To access and use District Technology Resources (see definition in Bylaw 0100), including a school assigned e-mail account and/or the

Internet at school, students under the age of eighteen (18) must obtain parent permission and sign and return this form. Students eighteen (18) and over may sign their own forms. Use of District Technology Resources is a privilege, not a right. The Board of Education's Technology Resources, including its computer network, Internet connection and online educational services/apps, are provided for educational purposes only. Unauthorized and inappropriate use will result in loss of this privilege and/or other disciplinary action. The Board has implemented technology protection measures that protect against (e.g., block/filter) Internet access to visual displays/depictions/materials that are obscene, constitute child pornography, or are harmful to minors. The Board also monitors online activity of students in an effort to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that determined users may be able to gain access to information, communication, and/or services on the Internet that the Board has not authorized for educational purposes and/or that they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial. Students using District Technology Resources are personally responsible and liable, both civilly and criminally, for unauthorized or inappropriate use of the Resources. The Board has the right, at any time, to access, monitor, review and inspect any directories, files and/or messages residing on or sent using District Technology Resources. Messages relating to or in support of illegal activities will be reported to the appropriate authorities. Individual users have no expectation of privacy related to their use of District Technology Resources.

Teachers and building principals are responsible for determining what is unauthorized or inappropriate use. The principal may deny, revoke or suspend access to and use of the Technology Resources to individuals who violate the Board's Student Technology Acceptable Use and Safety Policy and related Guidelines, and take such other disciplinary action as is appropriate pursuant to the Student Code of Conduct.
