**Novel Study Books\*:** Throughout the year, we will be grouping students based on their needs and interests. In these groups, they will participate in 3-4 novel studies (that align with our IB units) and engage with the books deeply by highlighting, underlining, and using sticky notes to interact with the texts. We ask families to purchase these novel study books, so they can take the books home with them when they finish reading! We will send information about which novel study book your child will need approximately one month before we start reading to ensure that you have time to order it.
