### *Tri-Valley Local Gifted Information*

Parents,

The Tri-Valley Local School District prides itself in that our staff consistently works to meet the educational needs of each student within the district. Students are evaluated for giftedness while in the 2<sup>nd</sup> and 4<sup>th</sup> grades

The school district will utilize the Stanford Achievement Test Series (10<sup>th</sup> Edition) in order to evaluate a student's reading and math achievement level. The Otis-Lennon School Ability Test will be utilized to evaluate a student's overall cognitive ability.

Once a student is identified as gifted, instruction will be provided by classroom teachers and can consist of differentiated instruction within a classroom of same-age peers, grade-acceleration/accelerated course-work, Advanced Placement courses, honors classes and through the College Credit Plus Program. Please note that the Ohio Department of Education does not recognize these enrichment activities as gifted services.
