

August 29, 2017

Dear Parents of 6<sup>th</sup> Grade Students,

Information regarding the 6<sup>th</sup> Grade day trip has arrived! Tri-Valley sixth grade students will culminate their year by participating in Math & Science Day at Kings Island! Math & Science Day brings classroom theories to life in one of the country's most exciting theme parks. The 300-acre park transforms into a laboratory for learning! Using materials created by educators and engineers, students will measure, estimate, and use the scientific method in real hands-on learning experiences with rides and attractions.

**Students from Dresden/Adamsville will go on Friday, May 18th**  
**Students from Frazeyburg/Nashport will go on Friday, May 11<sup>th</sup>**

We will board tour buses, at your child's elementary building, at 7:00 AM and return to the school around 9:00 PM. Students may bring a packed lunch or money for lunch at the park. They will need money for snacks and dinner. Other items to consider: sunscreen, umbrella, raincoat, jacket and a change of clothes. There are some water attractions at Kings Island, therefore, a possibility of getting wet!

Each student is welcome to invite one parent/guardian to share this experience with them. Your child will be chaperoned by an assigned adult if you choose not to attend. We ask if you plan to attend, to please **submit \$60.00 per person by November 10<sup>th</sup> as we must secure transportation.** If you plan to enjoy the day with our students we ask that you plan to ride the bus.

Students will need to maintain outstanding behavior and attendance in order to participate in this day trip. When there is a questionable concern of behavior, the building principal shall make the decision if a child should attend. We want to represent Tri-Valley well and remember school rules apply to this day trip. More details along with a permission slip will be sent home later. After January 1<sup>st</sup> refunds will not be given to students.

Please return the form below, with the \$60 per person, to your child's teacher by November 10<sup>th</sup>. Tickets will be ordered and buses reserved based upon total numbers.

**Checks should be written to: Tri-Valley Schools, Memo Section: Kings Island**

The Elementary School Principals

Tear \_\_\_\_\_

\_\_\_ My child WILL be participating in the 6<sup>th</sup> grade Math & Science Day at Kings Island (include \$60).

\_\_\_ My child WILL NOT be participating in the 6<sup>th</sup> grade Math & Science Day at Kings Island.

\_\_\_ Parent/guardian attending \_\_\_\_\_ (include an additional \$60).
