From September 2022, pupils in the Senior School will continue to come to school in PE Kit on the days that they have PE classes only. On all other days, pupils should be in school uniform. If a pupil does not have PE on a particular day but has a sports CCA after school, they should wear school uniform throughout the day and change into PE Kit after school.

‘Old’ Uniform: The 2022-23 school year will be the last year that the royal blue polo bearing the old school logo may be worn.

The former PE items (white cotton tshirt or red/blue/green yellow cotton House tshirt), which were sold until 2021, **may no longer be worn**. All pupils are expected to wear the new style of combined PE House Tee (available since 2021) this year - this is a dark blue performance fabric tshirt with the coloured stripe of the pupils House across the middle of the shirt.

Other items that may not be worn: Jeans, black trousers, black skirts, black shorts, leggings or tight trousers of any colour (except St George's leggings navy blue with school logo for PE only), hoodies, flip flops, knee length boots or high heels, tracksuit bottoms (except St George's PE trousers navy blue with school logo for PE lessons only).
