Dear Parent/Carer

As you are aware, your child will be sitting GCSE Geography exams next year. To help them with their studies, we strongly advise that they have a copy of the CGP GCSE Geography workbook to support them. We would ideally like to use this resource for some homework's and tasks throughout the course and we would like the students to have their copy available to them in lessons.

The workbook can be purchased from school. Please use ParentPay to pay for the workbook, and the books will be distributed at school.

The workbook can also be purchased from Amazon: GCSE Geography Edexcel B Geographical Issues. The cost of the workbook is £3.50 per copy.

[Grade 9-1 GCSE Geography Edexcel B: Investigating Geographical Issues - Revision Guide | CGP Books](#)

If your child is in receipt of the Pupil Premium Bursary, then they can use their bursary to purchase the workbook.

Please complete the reply slip below and return to school by **Friday 8th July**. I can be contacted on z.newbery@stowevalley.com should you have any queries.

Yours sincerely

Zoe Newbery
Head of Geography
