# THE NEWS COMMITTEE

Welcome to our third edition of *Inside Alex!* This issue is our very special Easter publication to share with you how busy we are since our return to school.

We met with Ms. Smith to share ideas and have written our news articles. Please read about our World Book Day, the JACA Bakeathon, Seachtain na Gaeilge along with our regular book reviews, cookery and feature stories, giving you our readers a taste of life *Inside Alex*.

A special thank you to Mrs. Lamplugh and Ms. Gorry for supporting this every time.

Thank you to Ms. Smith for helping us to put it all together. We would like to especially thank Ms. Gorry for taking the time to edit this edition. Thank you to everyone who contributed to *Inside Alex!* 

We really hope you enjoy reading this edition as much as we did putting it together. The next edition is our last one, so please send us your stories and photos.

Best wishes,

From the News Committee

# A Message from Ms. Gorry

#### Dear Parents and Girls,

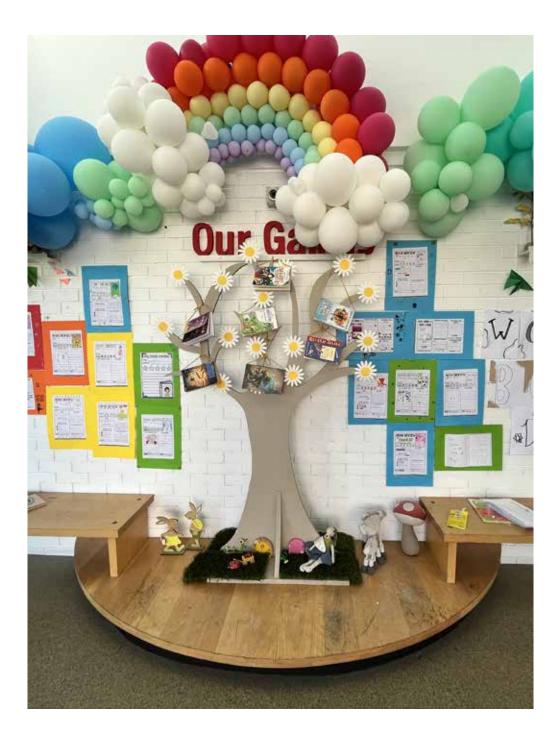

It is wonderful to see the brighter mornings and longer evenings as we move through the season of spring. We have had busy months since the last edition of Inside Alex. We celebrated Friendship Week, acquired new reading books at the Scholastic Book Fair and dressed up as a book character for World Book Day. We celebrated Seachtain na Gaeilge through a number of events which culminated in a special assembly where each class performed in Irish. This was our first opportunity to gather together as a whole school following the easing of restrictions and the girls dressed in green, white and orange clothes. It was a colourful and joyous celebration!

We started whole school assemblies, Family Reading and Family Group work after St.Patrick's Day. It is wonderful to see the older and younger girls interacting with each other and working together. The weekends have also been busy with the DramFest and Open Day. Many of the classes have been on outings to venues such as Kilmainham Gaol, Henrietta Street and even an open top bus tour of the city. There are many more events to look forward to before the Easter holidays such as the Easter egg raffle, cake sale and the return of the Star Baker parent and childrens' competitions.

I wish all of your families a Happy Easter and we look forward to Ms.Lamplugh's return on the 25th April.

# *Interview* with Ms. Upton

Holly Kinsella and Aoife Mitchell interviewed our Junior School teacher Ms Upton. Róisín Upton is an Ireland women's field hockey international. She was a member of the Ireland team that played in the 2018 Women's Hockey World Cup final.

# By Aoife Mitchell and Holly Kinsella, J6W

*What got you interested in hockey?* I started playing when I went to secondary school down in Limerick and that was the main sport down there.

*What age did you start playing it at?* I started playing when I was 12 years old.

*What position do you play?* Centre defence or centre mid.

# What was it like playing in the World Cup final?

It was amazing. It felt so cool the way everyone was dressed in green cheering for Ireland.

Were you friends with some of your teammates before you joined the team? I would have played with some of the girls. I played with Katie Mullan and anyone around my age.

#### Do you play any other sports?

I don't because I was already really busy with hockey so I wouldn't have enough time but other players do.

#### Did you have to make any sacrifices to become a professional hockey player? I graduated from college three years ago. But I only became a teacher this year, you also miss a lot of occasions and celebratione like high does because a functions.

tions like birthdays because of training but I don't really feel like it was a sacrifice because I love what I do.

# Seachtain na Gaeilge

Ms. Mc Mahon and Ms. Kenny tell us all about Seachtain na Gaeilge

Bhain na cailíní an-taitneamh as Seachtain na Gaeilge. Bhí a lán rudaí ar súil i rith na seachtaine mar shampla, Tráth na gCéist, comórtas póstaer, damhsa agus an tionól speisialta ar 15ú Márta. Ghlac gach rang páirt ag canadh "Amhrán na bhFiann" agus "Lá breithe" le chéile agus ag rá "Ár nAthair" ag tionól gach maidin. Rinne na cailíní i rang a sé Tráth na gCéist lena cailíní níos óige agus bhain siad an-taitneamh as an ócáid seo. Ghlac cúpla cailíní páirt freisin i gcomórtas póstaer freisin. Chun deireadh a chur leis an gceiliúradh, bhí tionól speisialta ar súil sa halla ar an 15ú Márta. Rinne gach rang píosa speisialta cosúil le dán, amhrán nó damhsa as Gaeilge. Bhí an ceolchoirm go hiontach! Maith sibh do gach duine, go háiraithe na daoine a bhfuil an Ghaeilge nua dóibh. Rinne sibh an-obair chun Gaeilge a labhairt, a fhoghlaim agus a mhúineadh. Go dtí an bhliain seo chugainn!

The girls really enjoyed Seachtain na Gaeilge. There were a lot of things that took place during the week, including a table quiz, poster competition, dances and a special assembly on the 15th of March. Every class took part in singing the Irish National Anthem, Happy Birthday and saying the Our Father at assembly in the mornings. The girls in J6 held a table quiz with the younger girls and they really enjoyed it. A couple of girls took part in a poster competition also. To put an end to the celebrations, there was a special assembly in the hall on the 15th of March. Every class performed a special piece such as a poem, song or dance in Irish. The concert was brilliant! Well done to everyone, especially to the people who are new to learning Irish. You all worked very hard to speak Irish, to learn Irish and to teach Irish. Until next year!

# Seachtain na Gaeilge with J2R

During Seachtain na Gaeilge, J2R have been working hard. We have been doing our best to speak Gaeilge as often as possible, while learning new phrases and words in our Seachtain na Gaeilge booklets. We enjoyed performing our poem 'Gráinne Gráinneog' at the special school

#### assembly.

We also looked all around the world at how other countries will be celebrating St. Patrick's Day. One of our favourite places was Chicago where they dye the river green.

# Seachtain na Gaeilge in Kg Upper

Kg Upper remain very keen Gaeilge learners and are really enjoying their current topic on Éadaí, during Seachtain na Gaeilge!

The girls became wonderful wardrobe designers with Ms Smith in art class, they enjoyed drama games with Ms Crowley and in the classroom, we have had great fun learning and practising many Irish phrases and songs!

Such creativity and enthusiasm Kg Upper!

Go raibh míle maith agaibh!

### 22 | INSIDE ALEX | April 2022

The J1 girls have been working very hard this term. They have recently started learning about the heart. Some of our favourite facts were:

The heart weighs about the same as a Heinz Ketchup bottle. Your heart is about the same size as your fist.

When you listen to music your heartbeat changes. It beats faster when you listen to fast music and slower when you listen to calming music.

We also learned how to take our pulse. Have a

look at some of the pictures to see where to find your pulse on your neck and your wrist. Once you've found it, count how many beats you can feel in one minute. If you do some exercise and check your pulse again, your heart rate should be higher. We also had a great time celebrating Seachtain

na Gaeilge. I hope everyone has a great St. Patrick's Day.

Ms. Martin

# Engineering Week in J5R

For Engineering Week, J5R took on a series of challenges. We designed earthquake-proof structures from jellies and cocktail sticks and we made tables and bridges from paper, which were able to withstand the weight of several books! We learnt that triangles are extremely strong shapes, as they distribute their load evenly across the whole shape, whereas rectangular structures often buckle under stress. The teams had to demonstrate cooperation, as they worked together - exploring the materials, experimenting with different designs and testing their structures. It was a lot of hard work, but also provided an excellent opportunity to develop our STEM skills and foster the next generation of female engineers!

#### Ms. Richardson

# **INSIDE J5W**

This term J5 have been enjoying our class novel, "The Little Bee Charmer of Henrietta Street".

We decided to research the author of The Little Bee Charmer, Sarah Webb, and to investigate what life was like in Dublin in the early 1900's. We knew Sarah Webb had written lots of books for all ages, but we found it really interesting researching the toys and games children would have played with at that time. We also learned a lot about the living conditions of Henrietta Street and the hardships people faced.

We also really enjoyed a Zoom Workshop with Sarah too and we learned a lot about writing books and the research that goes into writing historical fiction.

J5W are looking forward to finishing our novel and we hope to get an opportunity to visit Henrietta Street next month!

WORLD BOOK DAY

# **From Preschool Lower**

On March 3rd we celebrated World book Day. In Preschool Lower every girl came dressed as a character from her favourite book. Here are some reviews from a few of the most loved books in Preschool Lower.

Ms. Brandon & Ms. Malseed

Chloe dressed up as Princess Pearl from the book Zog by Julia Donaldson. Zog is about a young accident prone dragon who wants to be the best in dragon school. In the book Zog meets Princess Pearl who wants to be more than a princess. She dreams of being a doctor and as she forms a friendship with Zog and finds multiple ways to help Zog out of the many scrapes he finds himself in.

Beatrice dressed up as Rosie Revere from the book Rosie Revere Engineer. We read this book during science week back in November. Rosie loves to help people and come up with new inventions. In this book, she creates a hat made from cheese to help keep snakes away from her favourite uncle's head. This book teaches us about problem solving and creative thinking.

Genevieve dressed up as the ladybird in What the ladybird heard. The book is about a little ladybird who always listens but never speaks. She helps save her friends from two bad men who have a cunning plan to steal the prize cow. The story teaches us that we can't every problem alone and is about friendship and helping each by working toegther.

Nora dressed up as a cat from the book They All Saw A Cat by Brendan Wenzel. This is a book about a cat who walked through the world and was viewed differently by each animal it passed depending on their point of view. It teaches observation and curosity.

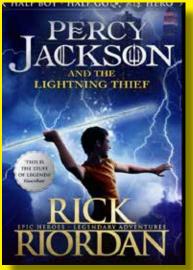

# **BOOK REVIEW**

### By Claudia Kelly and Olivia Wilson, J6W

**Title:** Percy Jackson and the Lightning Thief **Author:** Rick Riordan **Genre:** Fantasy fiction

#### **Plot:**

Percy Jackson is a modern 12 year old boy when he finds out that his father who left before Percy was born is in fact, a Greek god. After being attacked by his maths teacher, sent to a camp for demigods, hunted down by the god of the underworld and framed for stealing Zeus's special lightning bolt, can this kid stop havoc from breaking loose and the gods from starting war?

#### Our opinion:

Percy Jackson is a fantastic book if you're looking for fantasy fiction. It's a book full of adventure, action and Greek mythology. Overall we would fully recommend it as it's a great introduction to Greek mythology in a fun way! A good follow up is Heroes of Olympus and Trials of Apollo.

# EASTER TIME

### By Claudia Kelly and Olivia Wilson, J6W

#### History:

The real reason to celebrate Easter was because thousands of years ago at 30 A.D. Jesus claimed to be the son of God, which the Roman emperor did not like, so he sentenced him to death on the cross. Three days later, on Easter Sunday, Jesus rose from the dead so that we could have forgiveness and life. That's why we have the Easter bunny who brings us chocolate on Easter Sunday. The bunny is a symbol of fertility and new life.

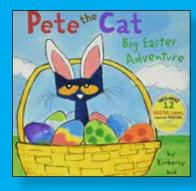

#### Fun facts:

- More than 1.5 million Cadbury Creme Eggs are produced every day
- The world's largest Easter egg weighs in at 1,028kg.
- Some people might paint Easter eggs during Easter. This tradition comes from Ukraine. The UK's first chocolate egg was produced in Bristol in 1873
- In 2007, an Easter egg was sold for £9 million

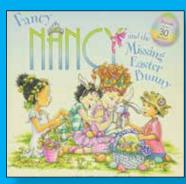

# **Easter Books**

**By Claudia Kelly and Olivia Wilson,** J6W There are lots of Easter books that are fun to read but these are some of our favourites!

# Pete the Cat Big Easter Adventure

When Pete wakes up on Easter morning, ready to check out his basket full of goodies, he finds out that the Easter Bunny needs a little extra help. So Pete puts on his bunny ears and finds a way to collect, paint, and hide all the eggs in time for Easter. *Age group 3-8* 

# Fancy Nancy and the Missing Easter Bunny

Fancy Nancy can't wait for Easter and this year, her friend JoJo's class pet, Nibbles the bunny, is staying at the Clancys' house for the weekend. But when her friends Bree and Freddy come over for an Easter egg hunt, Nibbles goes missing! It's up to Nancy to find Nibbles before anyone realises she's gone. Age group 5-7

# **Spot's Easter Surprise**

It's Easter, and Spot and his friends go to Spot's grandparents house for a fun Easter egg hunt. Once everyone has collected the eggs, there is still a surprise waiting in the bushes. What could it be?! *Age group 0-5*

# EASTER MOVIES

# By Claudia Kelly and Olivia Wilson, J6W

There are tons of fun Easter movies that we love but some of our favourites and most popular ones are...

### Rise of the Guardians

Rise of the Guardians is a movie that includes Santa Claus, the Tooth Fairy, the Easter Bunny, and the Sandman. Although it isn't based on just Easter, it's a great movie that's about a young boy Jack Frost who has to stop the evil Pitch Black from consuming the world in darkness and a fight of dreams.

### Ice Age: The great Egg Scapade

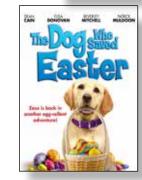

Ice Age the Great Egg Scapade is a quick fun movie about Sid the sloth who has to babysit some Easter eggs but doesn't know that his old rival Squint the bunny is planning on stealing the eggs. The movie is a great adventure as Sid has to go on an exciting egg hunt to get them back.

### The Dog who Saved Easter

The Dog who Saved Easter is about a golden retriever named Zues who has to jump into action when three criminals try to ruin a daycare for dogs. With the help of Alice and a young veterinarian they manage to save all the dogs.

# FLAVOUR OF THE MONTH

### By Claudia Kelly and Olivia Wilson, J6W

# Easter Egg Brownie

A really great Easter treat that you can enjoy baking and eating with your friends and family is an Easter egg brownie! There are only 8 steps to make this delicious treat!

#### Ingredients:

- 185g unsalted butter, cut into small chunks,
- plus extra for greasing
- 185g dark chocolate , broken into pieces
- 3 large eggs
- 275g golden caster sugar
- $\bullet~85g~$  of plain flour
- 40g of cocoa powder
- 5 fondant filled eggs (Cadbury's creme eggs are
- recommended)
- 150g mini eggs

#### STEP 1

First you need to put the butter and chocolate in a medium-sized heatproof bowl and set over a pan of simmering water, stir it occasionally until it's melted. Preferably cover the bowl loosely with cling film and microwave at 30 sec intervals until melted. You need to leave the melted chocolate mixture to cool to room temperature.

#### STEP 2

Heat oven to 180C/160C fan/gas 4. Grease a 20cm square tin with butter and line it with 2 long strips of folded baking paper or foil – one running top to bottom, the other left to right then line the base with a piece of baking paper. The strips will help you lift it out later.

#### STEP 3

Then break the eggs into a large bowl and tip in the caster sugar. With an electric mixer on maximum speed, whisk the eggs and sugar for around 5-8 mins or until they look thick and creamy and have doubled in size.

#### STEP 4

Pour the cooled chocolate mixture over the egg mixture, then gently fold it all together.

#### STEP 5

Sieve the flour and cocoa into the wet ingredients then continue to fold the mixture gently with a spatula just until everything is fully combined, try not to over-mix it.

#### STEP 6

Pour the mixture into the tin and carefully level the mixture with the spatula. Put it in the middle of the oven and bake for 20 minutes.

#### STEP 7

Meanwhile, cut the fondant filled eggs in half and set them aside then place the mini eggs into a pestle and mortar. Crush a few of the mini eggs but leave some whole. After 20 mins take the brownie out of the oven and press in the fondant eggs, cut side up. Scatter over half of the mini eggs too then you need to put it back in the oven for another 5 minutes.

#### STEP 8

When it's baked, put the remaining mini eggs on top and leave to cool completely. Place it in the fridge for about 1hr to firm up. Lift it out of the tin using the strips of baking paper and cut into squares. Decorate with little Easter chicks if you like or any other Easter decorations you might want to add!

# **Oreo Cheesecake**

### By Eva Duffy, J6R

#### Ingredients:

- 290g Oreos
- 440ml double cream
- 90g butter
- 450g cream cheese
- 120g icing sugar
- 120g white chocolate

#### The Topping:

- 250g white chocolate
- 150ml double cream

#### Step 1

Grind/crush the Oreos into thin crumbs, melt the butter in the microwave for 30 second or until melted and then add to the Oreo crumbs mixing thoroughly. When this is done, place the oreo mixture into a cake tin and press down firmly making sure it's spread evenly.

#### Step 2

Mix together the cream cheese and icing sugar and then set aside. In another bowl melt the white chocolate for 30 seconds, stir then put it in for another ten seconds. Add the white chocolate to the cream cheese and icing sugar, mixing until combined.

#### Step 3

With a whisk or electric mixer mix the cream into stiff peaks and add to the cream cheese mixture. Spoon the mixture onto the base then put in the refrigerator overnight.

#### Step 4

For the topping, mix in melted white chocolate with the double cream, the topping should be quite thick and a little bit liquidy but not runny. Pour onto the cheesecake then place in the refrigerator for an hour. Take it out then cut 3 Oreos in half and make and extra half, place them space out around the edge of the cheesecake then place a full one in the centre... and enjoy!

# **The Easter Rising**

# By Sophie Mahon, J6R

#### 24/4/1916 - 29/4/1916

The Easter Rising was a major event in Irish history. It was the rebellion against British rule. It is called the Easter Rising as it began on Easter Monday and Ireland were rising up against the British Government. Sometimes, this event is referred to as the Easter Rebellion.

#### Before the Rising

Britain officially took control of Ireland in 1169. In the 19th century, the Irish Brotherhood was set up. They believed that Ireland should be an independent state. Many believed that instead of Irish politicians going to London, they should establish a parliament in Dublin. However, most in Ulster did not agree with this movement. So, the Ulster Volunteers were created. They did not want Ireland to be a free state. Soon after, the Irish Volunteers were established and they stood for the opposite of the Ulster Volunteers.

The Irish Volunteers wanted Ireland to be a free state so when WW1 broke out they thought this would be a great time for a revolution. The revolution was scheduled for Easter Sunday 1916 but since the British intercepted their German gun suppliers the revolution had to be postponed.

#### Pádraig Pearse

Pádraig Pearse was born on November 10th 1879 and is known for his role in the Easter Rising. Interestingly, he taught Irish at Alexandra College. Pearse believed that Ireland should be a free state and he took action on his beliefs. On April 24th, when the rebellion began, he led the Volunteers into battle. After the Rebellion failed he was executed at Kilmainham Gaol.

### Timeline of the Easter Rising:

#### Monday, April 24th 1916

This was when the fighting started. Irish Volunteers marched to the GPO. Two flags were raised here. The Irish Flag and a green flag with the words 'Irish Republic' imprinted on it. Irish Volunteers also occupied locations such as St. Stephens Green, the Four Courts and the Dublin Union (now St. James' Hospital). At the GPO Pádraig Pearse read the Proclamation of the Irish Republic. This was an official announcement that they wanted an Irish republic.

#### Tuesday, April 25th 1916

The fighting continues. The British failed to take the GPO but attacked other areas where Irish Volunteers were fighting.

#### Wednesday-April 26th-1916

Britain sends reinforcements while British troops lay siege to the GPO. Britain sends a gunboat up the Liffey to fire at Liberty Hall. The Rebels killed over 200 British soldiers.

#### Friday, April 28th 1916

The GPO is set on fire. Most volunteers are dead or injured. Pádraig orders everyone to evacuate the GPO.

#### Saturday, April 29th 1916, The End

At 3:45pm, Pearse surrenders. The leaders are arrested. This is the end of the rebellion.

#### Aftermath

Once WWI ended in 1918, London called a general election. The Sinn Féin party won a lot of seats but would not take their seats in London. Instead, they wanted to set up their own parliament in Dublin. On January 21st 1919 the newly elected Sinn Féin MPs met at the Mansion House and set up a new parliament called Dail Éireann. They declared that Ireland was now independent and Éamon de Valera was the first president of the Dáil.

However, conflict was to continue with both the War of Independence (fighting against any British authority) and the Irish Civil War (where the people of Ireland fought about the decision to sign a treaty with Britain).

In 1949 Ireland was officially declared a republic. It is both striking and sad that so many lives were lost and that it took over 30 years from the Easter Rising to the creation of the Republic of Ireland.

#### Bonjour à tous

Our start of the year is based around celebration and spring cleaning. In January and February we celebrated the "galette des rois" with the family theme, "la Chandeleur" (Pancake Tuesday) and Kg Lower and Kg Upper learnt how to express their love in French for Saint Valentine's Day. We are enjoying doing some role play about "la crêperie from Milltown" and ordering our special menu while the J5s are playing tourists lost in France and asking for directions. With spring coming, we redesigned the ideal house and ideal classroom with J4 and J6, using this as a backdrop for all the different rooms and objects.

The Junior School celebrated Frienship Week during February

### By Sofia Sambataro, J6R

From the 14th to the 18th of February it was Friendship Week, a week which was all about your friends and the different aspects of friendship. Every day at assembly Ms. Lamplugh would show us a video or read a story about the different things you need to be a good friend and some girls in J6W picked a song each day related to friendship. The main thing about Friendship Week is respecting and being nice to your friends and what being a good friend is all about. During Friendship week we honoured our friends by being really kind to them and maybe even giving them a gift. Friendship Week is very important because you realise if you've been a good friend and what you can do to become a better friend.

# **Chinese New Year**

# By Maryam Khan, J6W

Chinese New Year, also known as the spring festival or Lunar New Year, is one of the most important celebrations for east Asian cultures, mainly China, Vietnam, and Korea. The spring festival is celebrated for a few days, usually in January or February, depending on the full moon. This year it was on the 1st of April. Each year is represented by one of the 12 zodiac animals. The 12 zodiac animals are the rat, ox, tiger, rabbit, dragon, snake, horse, sheep, mokey, rooster, dog, and pig. There is a story behind these zodiac animals; the Jade emperor one day called every animal in the world for a race. Twelve animals turned up at the start line: a pig, dog, rooster, monkey, sheep, horse, snake, dragon, rabbit, tiger, ox and rat. As a reward for turning up, the Emperor named a year in the zodiac after each one, while the race would determine the order each animal would be placed.

There are many traditions, for example people put up red decorations to scare off 'nian', an evil chinese monster. Lots of people were scared of nian, until they found out what scares him. The colour red, fire, and loud noises are used traditionally to scare off nian. Red means good fortune. Everyone also cleans their homes and has a feast. Elders give money to younger people in envelopes. Chinese people eat rice cakes, noodles, and meat during this time.

Cultures celebrating Lunar New Year have different ways of greeting each other during the holiday. In Mandarin, a common way to wish family and close friends a happy New Year is "Xīnnián h o," meaning "New Year Goodness" or "Good New Year." Another greeting is "Xīnnián kuàilè," meaning "Happy New Year."Traditional greetings during Tết in Vietnam are "Chúc Mừng Năm Mới" (Happy New Year) and "Cung Chúc Tân Xuân" (gracious wishes of the new spring). For Seollal, South Koreans commonly say "Saehae bok mani badeuseyo" (May you receive lots of luck in the new year), while North Koreans say "Saehaereul chuckhahabnida" (Congratulations on the New Year).

# **INSIDE ART CREATIVITY FROM KG LOWER TO J6**

Over the last term, the girls learnt new skills with the focus on collage, portraiture, tonal drawing, water colour, colour theory exploring all media from soft and oil pastels, painting techniques, and much more. It has been a busy and fun term and we look forward to next term full of creativity.

The sessions will vary from exploring the Young Zurich Portrait Prize and the Gallery Highlights Tour where each class will explore the works of Caravaggio, Berthe Morisot, Mainie Jellett, Jack B. Yeats and Saoirse Wall.

The girls are encouraged to look at the artwork with openness to appreciate and enjoy its inherent qualities and to understand that there are no definitive answers in art.

# My Favourite Painting

# By Amy Mintern, J2R Art Captain

Georgia O'Keeffe is an American artist that loved painting about nature. One of my favourite paintings is the White Rose, 1927. She painted it using oil on canvas. I like it because it is a rose and they are my favourite flowers.

# My Favourite Painting

# By Hannah, J2W Art Captain

Pablo Picasso was a Spanish painter, sculptor and artist. He was born in Spain in Malaga in 1881 and died in 1973. Over his lifetime, he created over 20,000 images. Some of his most famous aintings are of Guernica Satamayer and Blue Room.

# J6 BUS TOUR

We went on a bus tour around Dublin and saw many different sites, such as Kilmainham Gaol, Bord Gáis Theatre, Phoenix Park, The Criminal Courts and many more exciting sites! We asked two J6 girls about the tour...

#### Zoe:

What does Zoe remember about the bus tour?

Zoe remembers seeing the Ha'penny Bridge which Clara did a project on. Her favourite place on the trip was the Phoenix Park.

#### Claudia:

# What Claudia remembers about the bus tour?

The Phoenix Park was Claudia's most memorable part of the bus tour. Her favourite place on the bus tour was the Guinness Storehouse.
