

Oakland Catholic Athletics Parental Code of Conduct

As a Parent of an OC Student Athlete,

1. I pledge to provide positive support and encouragement for my daughter.
2. I will encourage good sportsmanship for all players, coaches, and officials by demonstrating it in how I conduct myself at every game and practice at which I am present.
3. In my conversations and behavior, I will emphasize the emotional and physical growth of my daughter, rather than the wins and losses of the team.
4. I will insist on a safe and healthy play environment for my daughter.
5. I will require that my daughter's coaches attend practices/games, and that they uphold the spirit and intent of the Oakland Catholic Athletics program.
6. I will demand a sports environment that is free from alcohol, drugs, and tobacco.
7. I will teach my daughter, by example, to treat other players, coaches, fans, and officials with respect, regardless of their race, gender, creed, or ability.
8. I will empower my daughter to enjoy her sport experience by assisting the school as requested where possible, and as being a respectful fan.
9. I will strive to help my daughter have a memorable, educational, and competitive high school sports experience that is marked by positivity, enthusiasm, and growth.
10. During competitions, I will abide by the parental code of conduct clearly outlined in the WPIAL and PIAA manuals. I understand that it is my responsibility to become familiar with Oakland Catholic, WPIAL, and PIAA policies and processes, including any student athlete or parental codes of conduct.
