

## Lincoln Elementary PTA

### **Who We Are**

We are an all volunteer service organization that unites home, school and community on behalf of the students that attend Lincoln school. The PTA at Lincoln has eleven officers and over thirty committees that collectively are responsible for building a sense of community amongst Lincoln families and students and supporting the curriculum goals of the school and district. Membership in the Lincoln PTA entitles you to a weekly email communication highlighting upcoming events at Lincoln, a student directory, the right to vote on PTA business and the opportunity to serve as a committee chair or officer.

When you join Lincoln PTA, you are also becoming a member of the Illinois PTA and the National PTA. In addition, the Lincoln PTA has representatives at the District 205 PTA Council and District 205 REACH and SERG PTA Councils.

### **Our Meetings**

PTA meetings are held monthly and are a great way to be among the first to know what is going on at Lincoln and in the PTA. In addition to all the great PTA information you will learn in our meetings, you get the added benefit of networking with other like-minded PTA parents that you might not otherwise get to know.

### **What Our Fundraising Supports**

Lincoln's PTA fundraising directly supports the following:

- Teacher and Staff appreciation meals and supply needs.
- Student programming such as clubs, assemblies, class parties and field day.
- Family events such as Carnival, Book Fair, Cocoa Cruise, Talent Show, Parent Trivia Night, and family outings.
- D205 PTA initiatives such as scholarship funds, Reach, SERG and Post Prom.

### **When Do Our Events Occur**

All PTA sponsored events and student activities/clubs are communicated in the weekly PTA email. Below is a list of typical Lincoln PTA initiatives and the season in which they occur.

Fall: Back to School Roar, Halloween Carnival, Charleston Wrap, Reflections, One Lincoln One Book and Book Fair

Winter: Cocoa Cruise, Chess Club, Parent Trivia Night, Shamrock Sales, All School Play

On hiatus: STEM Fest and Explore More

Spring: Talent Show, Running Club, Field Day and Classroom Picnics
