Always Know What's Cooking with the FD MealPlanner App!

FD MealPlanner

Download the Menu App at www.FDMealPlanner.com

FDMealPlanner is your go-to app for everything on the menu. View the monthly menu or zoom into the day for a close-up of each offering. View ingredients and nutrition information for all menu items. The app provides the perfect way to stay up to date on what is being served in your cafeteria. Download onto your devices today!

Allergens & Dietary Restrictions

Due to the handcrafted nature of our menu items, our kitchens which share cooking and preparation areas, and our reliance on suppliers for accurate information, we cannot eliminate the risk of cross-contact or guarantee that any item is free of any allergen. The top nine allergens and popular dietary restrictions will be displayed at points of service. These icons will guide students, staff, and visitors in making safe nutritional choices.
