ACTIVITIES UPDATE

This Week in Red Devil Activities.....

OPERATION SNOWBALL

This past month has been a busy month for Operation Snowball. On, Monday, April 18, around 80 students from Hinsdale South and Hinsdale Central attended a 1-day retreat at Camp Manitouqua. This was a day for students to step away from responsibilities and just let loose before exams. Students also had a chance to learn more about themselves and other peers. Students left for Camp Manitouqua at 8 a.m. and returned at 9 p.m.

On Sunday, May 15, Operation Snowball took part in the Walk the Walk for Mental Health that was hosted by The Community House. This was a chance to help bring attention to the importance of the conversation on mental health, and every dollar that was raised will provide equitable access to mental health services in our community. Thank you to all who participated in the Color Walk! The Community House had almost 450 participants!
