

POUND HILL INFANT ACADEMY

Principal: Tom Jordan

Monday 4th July 2022

Dear Parents/Carers,

The academy remain committed to providing high-quality remote learning adhering to government guidelines accessed by the academy's website. The full intention of this offer is to enable all children the ability to access learning, if they are well enough to do so when not at the academy.

- The remote learning offer begins with a **Remote Learning Grid** specific to your child's year group, linked to our PHIA curriculum themes.
- This is accessed via our Remote Learning webpage: [Remote Learning - Pound Hill Infant Academy.](#)
- The learning grid provides you with a suggested daily timetable and instructions to access additional curriculum home learning resources and online learning platforms.
- You will require a passkey to access the academy learning resource, please email office@phiacademy.org.uk
- **Please see the step-by-step guidance below.**

The online platforms are:

- Mymaths
- Bug club
- Purple Mash
- Letter-join

These platforms are actively used at the academy so your child should be familiar with how to use them (perhaps with prompting). Parental guidance for these online platforms can be found on <https://www.poundhillinfantacademy.org.uk/teaching-and-learning/home-learning-links>.

By the nature of the age of the children at the academy, I fully appreciate that you will need to support your child to access this information. I am all too aware that remote learning does not replicate the learning and wider experiences received in the classroom on a daily basis and we will fully support your child on their return to the academy.

In addition, we will post the Year group **Weekly Learning Together** on our Remote Learning page. The Year group **'Learning Together's'**, are sent home via parentmail every Friday detailing weekend learning activities in preparation for the forthcoming week.

If you require any further help or support with this, please do not hesitate to contact us.

Yours sincerely,

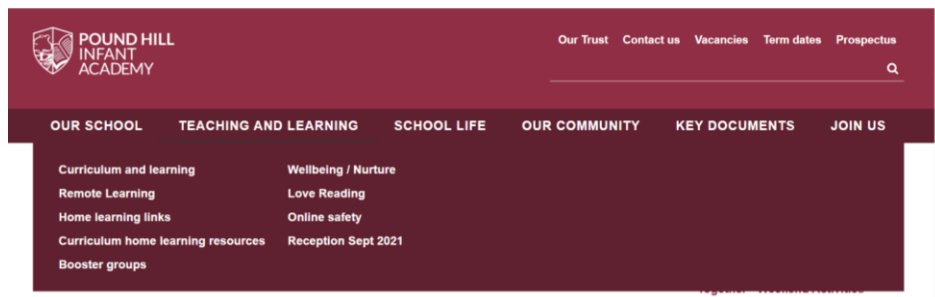

Principal

Please see below a top tips / guidance to access and use the remote learning offer:

1. Please log onto our Academy website: <https://www.poundhillinfantacademy.org.uk/>
Then hover your mouse cursor over the tab 'Teaching and Learning'. You will see the following tab: 'Remote learning'

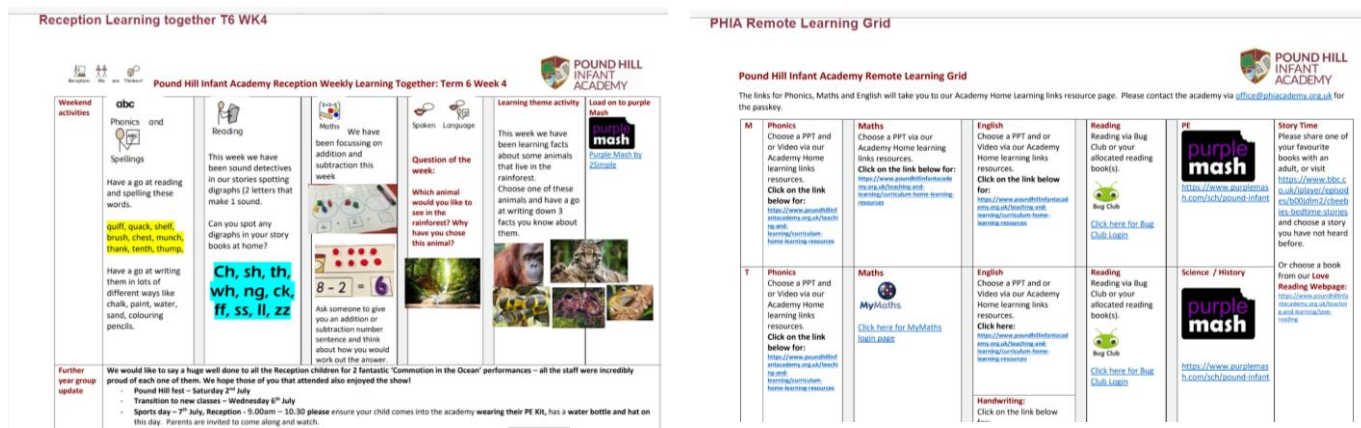

2. When you access this page, you will need to click on your child's year group

Remote Learning

Remote Learning Guidance

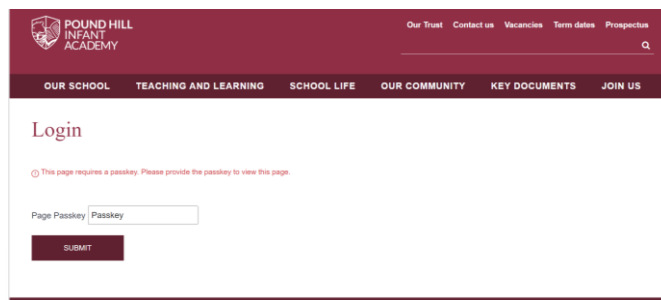

3. You will then see the Weekly Learning together And the Remote Learning Grid.
(Click on the timetable to view the whole week)

4. Click on the curriculum home learning resources links in the grid to access, powerpoints, video and worksheets for Phonics, English and Maths. You will then be asked for a passkey, please email office@phiacademy.org.uk

Curriculum home learning resources

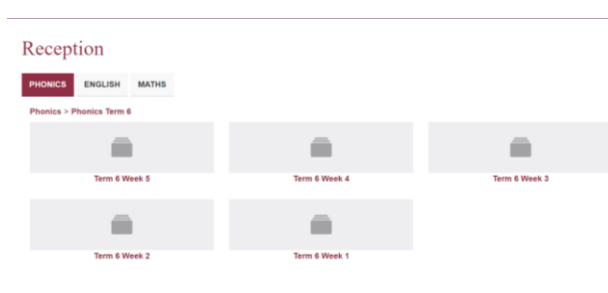

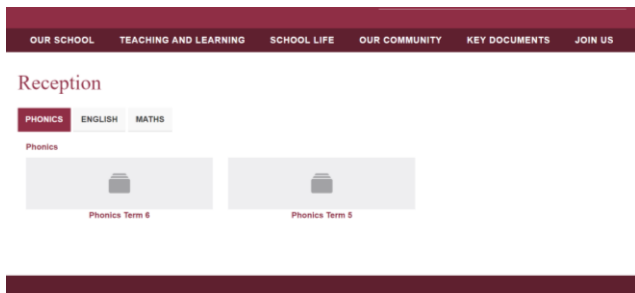

Welcome to our Curriculum Home Learning resources webpage.
During lockdown we sourced and made available educational website to enable our pupils to explore and enhance their learning in fun and creative ways e.g. Purple Mash, My Maths and Bug Club. In addition, our academy staff developed a wealth of learning resources for each year group to support pupils learning remotely.
This catalogue of videos, powerpoints and worksheets are available below, for parents to further support their Child's learning at home, or teachers may direct pupils/parents to them via the year group weekly learning together. In addition, teachers may recommend a resource to support individual pupils specific learning needs.
To access these resources, please click on your child's relevant year group and use the passkey your parent/carers will have already been provided with. (If you do not have the passkey please email office@phiacademy.org.uk)
Learning resources are divided by Year group, subject, Term and week number. We have started with Phonics English and Maths, and we will continue to develop this page adding more subjects and home learning resources.

Crawley Lane, Pound Hill,
Crawley, West Sussex, RH10 7EB
01293 873975
office@phiacademy.org.uk
www.poundhillinfantacademy.org.uk

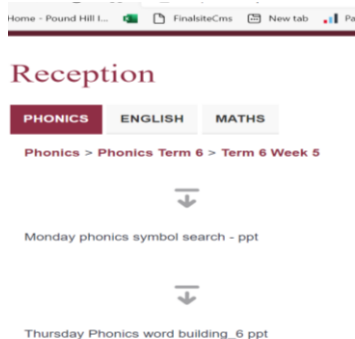

5. Click on the subject Phonics, English or Maths and then choose the relevant Term and Week number.

6.

- You can access the ppt resources by clicking on the 'drop down arrows', click on the arrow once and it will enable you to download the presentation and access features such as live links or voiceovers.

- Some files are saved as a PDF. You can access this by clicking twice onto it to view the presentation. A PDF document is similar to a book view of the lesson. It does not contain any interactive features. Other presentations on our website that have the 'drop down' arrow shown above, will provide you with features such as live video links, or voice overs from your child's class teacher. The drop down arrows are the only downloads that contain these. Please right click on the arrow and choose 'open in new tab', this will download the powerpoint and allow you to open.

7. Please send work to your child's class teacher when you have completed the activities.

Your child's class teacher year group emails are:

reception@phiacademy.org.uk

year1@phiacademy.org.uk

year2@phiacademy.org.uk

If you have queries or difficulty accessing any of the remote learning offer, please do not hesitate to contact the academy via office@phiacademy.org.uk or 01293 873975
