Home Access Center

Welcome to Home Access Center (HAC), a student and parent portal. HAC is integrated with Lakota's Student Information System and the teachers' grade books. The data provided are the same the teachers, administrators and office staff use daily and reflect current school year information. The HAC website is provided for the use of active Lakota students and parents to assist in the communication of important educational information.

Not all grade levels are configured to see the same information. Kindergarten students will have much less information than high school students. Use this document to familiarize yourself with the HAC pages and features.

The Report Card Tab Shows Quarterly Scores and the Final Grade for each class. The drop down allows you to select which Report Card period to view.

Click on the **Print button** to print a hard copy PDF of the official report card. This document includes Attendance, Grade Scale, Cumulative Credit and Cumulative GPA. The final report card will also include the Next Year Grade Level.

Click on the **Score link** for details on the assignments that make up the total score. The Categories box shows student's points vs. the maximum points and percentages for assignments to date.
