Tips for Addressing Academic Concerns

- **Monitor PowerSchool**—parents have access to PowerSchool, which allows them to closely monitor their son's performance in his coursework. Login information was mailed to each family at the start of the school year. If you are still in need of PowerSchool login information, please contact Mrs. Shipton at mshipton@romancatholicshs.com
 - **Open Dialogue with your Son**—As grades are entered into PowerSchool, have a conversation with your son about both the positive grades as well as the grades that need to be improved. Providing your sons with positive feedback throughout the marking period often makes it easier to address academic obstacles. When assignments are missing or test grades are low, this timely dialogue with your son is critical. *The importance of completing work on time and studying for assessments is critical to a student's success at Roman Catholic High School.*
 - **Email the Teachers**—the Roman Catholic Faculty is comprised of many talented educators who are here to support your sons along their academic journey. After having a conversation with your son, please feel free to reach out to your son's teachers through email.
 - **Please give teachers 48 hours to respond** as their teaching loads consist of around 150 students. Also, feel free to copy the Department Chair for the academic discipline on your correspondence to the teacher. The Department Chair emails can be found below:
 - **Theology**—Mr. Jim Murphy - jmurphy@romancatholicshs.com
