## Greetings from BSHS Principal

Dear Parents and Guardians:

It's SUMMER TIME! While you and your family are enjoying much-needed quality time, mornings with no alarm clocks, and maybe even some time on vacation, we at Bishop Shanahan are gearing up for the 2022–2023 school year. The information in this packet will provide useful and necessary details as you, too, plan for the new school year.

While summer can be the best time of the year to spend with family and friends and forget about school for a while, I ask you to encourage your student to complete the summer reading and other assignments required for their courses. In this packet, you will find the reading list and the dates for the corresponding assessments. Reading is one of the best ways for our students to keep their brains active.

With each new school year comes new opportunities for growth and participation. Please make note of the many possibilities listed in these pages for students to be involved in the life of the Bishop Shanahan community. I strongly encourage all students to participate in our school community by becoming involved in a variety of activities such as clubs, sports, band, or chorus. Important dates and details relative to these activities are contained in this packet.

I am honored to have been appointed the third President of Bishop Shanahan High School Downingtown and I am excited about the upcoming school year! Like you, I want our students to thrive in all aspects of their lives, and I am committed to helping them succeed. The search for a new principal is currently underway, and I will communicate with you as the process unfolds.

If I can be of assistance to you, please feel free to reach out via telephone or [email](#). My prayer is that this summer will provide your family with safe travels and an abundance of joy, laughter, and love.

Sincerely,

*Rev. John E. Donia*

Reverend John E. Donia  
Principal

## Greetings from the Assistant Principal for Academic Affairs

Dear Families,

I hope you spend time this summer relaxing and enjoying the company of friends and family; all of us are in much need of in-person quality time with our loved ones. So, before you and your students start thinking about summer reading and summer AP assignments, please make sure to take a deep breath, relax, and have some summer fun. Doctor's orders!

That said, learning never stops - even during the summer months. I encourage you and your student(s) to read our selection for "One Book, One School" this year, *The Sun Does Shine*, and to discuss and explore the many relevant issues it challenges us to confront. The book will provide the foundation for meaningful learning experiences across the curriculum, so it is imperative that your student returns to school prepared to actively engage with its content and themes in multiple subject areas. Additionally, each class level has other required summer reading to complete; please refer to the relevant pages in this packet for more information.

The work of rostering students for classes for the 2022–2023 academic year continues. The master schedule is built and finalized during the months of June and July. Students and families will receive rosters via email in early to mid-August; at that time, instructions for rectifying roster conflicts will also be shared.

If you have any questions over the Summer about your student's academic plan, please do not hesitate to reach out to me via email at [rmoran@shanahan.org](mailto:rmoran@shanahan.org).

You and your family will be in my prayers throughout the summer. Please be well, and I look forward to seeing you and your student(s) in September!

Sincerely,

Dr. Robert Moran, Ed.D.  
Assistant Principal for Academic Affairs

## Greetings from the Assistant Principal for Student Services

Dear Parents,

I hope you are all having a great and deserving summer. Thank you for all of your help as we navigated through many changes during the year of 2021–22. This letter is to pass along some reminders regarding the dress code, attendance policy, and immunizations.

The dress code is, and has always been, an integral part of Catholic education and will continue to be strictly enforced; this will include random uniform inspections. The greatest number of infractions to the dress code result from untucked shirts, missing belts and IDs, sock and skort length, and incorrect shoes. Last year we added a new optional sweater to the Bishop Shanahan winter uniforms. Please review these items with your child and refer to the [BSHS Handbook](#) for details.

Please remember that parking is a privilege. Students are expected to follow the appropriate traffic laws and have their Shanahan parking decal displayed on their vehicle. Any student who violates traffic laws, does not have a BSHS parking decal displayed, or who parks in an unauthorized space, faces disciplinary action.

The Office for Student Services also oversees the students' health services, including the Nurse's Office and Guidance Office. All students who are entering 11th grade or are new students in Pennsylvania in any grade must have a copy of a physical on file in the Health Room. If your child has had a PIAA physical, please make a copy of it for the Health Room; the nurses do not have access to the Athletic Department records. Those students who did not turn in a copy of their physical prior to their Junior year must do so before their Senior year.

The Emergency Medical Card will be mailed home with the student rosters. Please have the completed card returned to school on their first day. The Nurse's Office is unable to treat students for whom we do not have a card on file.

This will be the sixth year of the immunization laws for all Pennsylvania schools. Students who do not have all the state mandated immunizations will not be permitted to attend school. This is a state law which impacts all public and private schools and must be adhered to by all Archdiocesan schools. Please note, the Archdiocese of Philadelphia does not accept religious exemptions from immunizations. Please refer to [shanahan.org](http://shanahan.org) for details.

If you have any questions, please do not hesitate to contact me at [jkeller@shanahan.org](mailto:jkeller@shanahan.org).

Best Regards,

Mr. Justin Keller

## Greetings from BSHS Assistant Principal for Student Affairs

Dear Parents,

I hope this letter finds you well and enjoying the summer! Remember that there are many things that can be accomplished over the summer - I think of the three R's: relax, read, and recharge! I would like to take a moment to thank you for all of the support and cooperation during the 2021–2022 school year. Now we are looking to the future and have begun planning for the 2022–2023 school year. I have included some important information in this letter and a reminder that most information is communicated, updated, and published on our school website, [shanahan.org](http://shanahan.org).

**The Calendar** can be found in both the “About” and the “Parents” sections on the website and will be the most up-to-date resource to find information on what is happening in 2022–2023. Stay tuned over the summer for all the latest Shanahan news [here](#) and the school calendar [here](#). Enclosed in this packet is a summary of important dates for planning purposes. We do not print the calendar but there is a printable [PDF](#) version posted to the website.

**The Student Life** tab will bring you to the Student Affairs and Student Services links, as well as information on clubs and activities.

I encourage all of our students to relax this summer, get their summer reading done, take up a hobby, and maybe consider doing something new this fall. We have many interesting clubs and activities available for all students. Most clubs will have their first meetings within the first month of school; club meetings will be announced through the morning announcements which can also be found on the website.

The Fine Arts Department has announced that the show for this fall will be *Adams Family*! Tickets will be available online from the school website.

We hope the Class of 2026 will join us for a Freshman Welcome Night on August 30<sup>th</sup>. The first day of school for Freshmen is September 7<sup>th</sup>, for Sophomores and Juniors is September 8<sup>th</sup>, and for Seniors is September 9<sup>th</sup>. All grades will report on September 12<sup>th</sup>. Homeroom begins promptly at 8:10 AM. Yearbook pictures will also be taken during this first week of school. Yearbook sales will be through Jostens, and the link will be posted to the parents' webpage once it is live in the fall.

I hope you have noticed our increased communication through social media, Parent Newsletter and website updates. The Parent Newsletter will keep you informed of what is happening and also the great successes of the students. If you have any good Shanahan news that you would like to share with the community, please feel free to email [social@shanahan.org](mailto:social@shanahan.org).

If you have any questions feel free to contact me through e-mail at [tdellicompagni@shanahan.org](mailto:tdellicompagni@shanahan.org).

Thank you and have a blessed summer,

## Greetings from BSHS English Department

### *Summer Reading Program Information*

- All Shanahan students are required to participate in the Summer Reading Program.
- This year we continue our *One Book, One School* initiative. The book selected, *The Sun Does Shine* by Anthony Ray Hinton and Lara Love Hardin, “is a powerful examination of both our flawed justice system and of one man’s personal resilience and faith.” Please note the author’s prose is reflective and honest and the words used reflect the circumstances he faced.  
>>Paperback copy is preferred. Do not purchase the Young Readers Edition.<<
- The entire school is required to read the universal book. The required book will be analyzed and discussed in their classes throughout the year. AP English students are provided a separate reading list by their AP English teacher.
- Each grade also has a selection of books from which a student must choose two. Students must then read the books, and be prepared to take a Reading Counts test on them during the summer on the days listed below, or in the fall with their English class. **The average of the two tests and an assessment of the *One Book, One School* will count as a major test grade for the first quarter.**
- The tests will be administered three times during the summer for those students who choose to take them before school resumes in September. The dates will be: *July 28th, August 11th, and August 25th.*
- All testing is conducted on campus. Freshmen may report for testing between 8:30 AM and 10:30 AM. Sophomores, Juniors and Seniors may report between 11:30 AM and 1:30 PM.  
**Drivers are encouraged to wait since each test should take only 15 minutes.**
- It is highly recommended that students take notes while they are reading each of the three books. Suggestions for note-taking include:
  - ◇ Note the time, setting, action, plots, turning points, and themes of each book.
  - ◇ Write down each character’s name as he or she is introduced and describe each one. As you read, indicate the importance of each character.
  - ◇ Summarize what happens in the book. What are the important conflicts?
  - ◇ Put down a few statements or ideas from each book that are especially noteworthy or meaningful. Include page numbers.
  - ◇ Is the ending satisfactory? What are the implications of the ending and its effect on the main character? How much do you relate to him or her?
  - ◇ To what extent do you think that the book is worthwhile? Did it help you to gain some insight or to come to a greater understanding of yourself in anyway?

Dear Parent/Guardian:

Dr. Richard Fuller's Coaching Service, in cooperation with Bishop Shanahan High School, announces an SAT/PSAT Preparation Course, which not only will help prepare all students for SAT/PSAT Examinations, but will also cover general test-taking strategies relevant to standardized examinations.

This course has been designed to meet the needs of all students preparing to take the SAT/PSAT in the coming year. Moreover, freshmen and sophomores will also benefit by becoming aware of areas that require additional attention when preparing for the SAT/PSAT's. Course content will deal with particular strategies for the mathematical and verbal portions of the SAT/PSAT. Students will have the opportunity to take both a full-length pre and post SAT/PSAT test that will diagnose the areas of need for each student. Then the student will receive three hours of training for each of the nine sessions (27 hours total), divided evenly between mathematical and verbal concepts. Both verbal and mathematical homework will be assigned for each successive daily session. After the training, all students will take a post-test to determine the effectiveness of the training and to determine what additional concerns should be addressed in the future. There is a MAXIMUM student:teacher ratio of 12:1 in mathematics so that each student receives a more personalized training regiment.

Included in the cost of the full course are pre and a post MOCK SAT/PSAT EXAMINATIONS. For the Fall session, the tests will be administered Tuesday, September 7 at 5:30 PM, and Wednesday, September 29 at 4:00 PM, at Bishop Shanahan High School. Winter testing dates will be Thursday, January 12, at 5:30 PM and Tuesday, February 23 at 4:00 PM. All tests will come with a full analysis of both the verbal and mathematical sections of the test. All classes and tests will be held at Bishop Shanahan High School.

To Register: Interested students should complete the registration form on the other side of this paper. The total cost of the course including all handouts and textbook is \$575.00. Both the completed registration form and a check are requested to enroll in this course. If you want the student to take only the practice test, then the cost is \$40.00 per - test. \*\* If you have already taken this course and have paid the FULL PRICE, then you can retake the entire course at a later date for \$300.00. If a student retakes the full course, then they will experience different problems that will address more advanced concepts. All checks should be made payable to Dr. Richard Fuller and mailed to this address:
