Mission Statement

We, a diverse community of teachers, learners, alumni, parents and supporters comprise DeLaSalle High School. Our mission is to serve students and families who seek a high-quality, values-based academic preparation for life. We at DeLaSalle fulfill this mission, in part, by respecting and affirming our heritage as a Catholic high school in the Lasallian tradition.

Vision Statement

DeLaSalle High School, the longest-standing Catholic high school in the city of Minneapolis, will continue to sustain and advance the educational vision defined more than three centuries ago by St. John Baptist de La Salle, founder of the Christian Brothers.

As demonstrated by an ongoing commitment to attract students from various economic levels, academic abilities, and racial and ethnic backgrounds, DeLaSalle extends beyond the facilitation of personal success and preparation for post-secondary education. Recognizing that individual talents are enhanced by positive relationships and experiences, DeLaSalle forms its students for adult lives of learning, faith, and service to their local, national, and global communities both during and after their formal education.

DeLaSalle seeks to create a future in which the youth of our urban area are empowered and inspired to create for themselves and others communities, founded in excellence, compassion, and purpose.

To gain additional insight regarding your education, philosophy, and experiences, please respond to the following questions on a separate sheet of paper. Be as specific as possible.

1. After reading DeLaSalle’s Mission and Vision Statements, relate them to your experience as a student and/or teacher.
2. Lasallian tradition and Catholic values are vital components of our mission and identity as a school. After reading our Mission Statement and Vision Statement, please comment on either or both of them.
3. What special talents and/or personal qualities do you possess that would yield significant benefits to the students and/or instructional program of our community?
