

Spanish Summer Contest

Complete a tic-tac-toe this summer to maintain your skills, boost your confidence, and help make the transition to the next level of Spanish as seamless as possible while having fun and experiencing Spanish in the “real world!” Students who turn in a completed tic-tac-toe to their Spanish teacher at the start of next school year will be entered into a raffle for **prizes!** (Students who are taking more than one language need only complete 2 activities for each language rather than 3 for a special trilingual prize!)

Watch Netflix’s <i>Silvana sin lana</i> in Spanish.	Use Spanish in the community (doing volunteer work, at a summer job, in a restaurant, etc.).	Follow some Spanish-speaking artists or celebrities on social media, such as Juanes, Shakira, Enrique Iglesias, and Lionel Messi.
Switch your phone’s main language to Spanish for at least a week.	Check out the video series Destinos and try the practice activities after viewing the episodes for each major section (Act. #53-58).	Speak Spanish if traveling to Spanish-speaking countries on vacation. If you aren’t traveling, visit the National Museum of Mexican Art and speak Spanish in the gift shop.
Talk to friends and family in Spanish.	Watch Netflix’s <i>Go! Vive a tu manera!</i> in Spanish.	Follow current events by reading articles or watching news in Spanish on Univisión , Telemundo , El país , or BBCmundo .

Please explain what you did, when you did it, and what you learned from the experience. Attach any additional evidence of your completed activities to this tic-tac-toe sheet.
