

2021-2022 School Social Services Delivery Model

School Social Worker (SSW) duties were reinstated to include ALL social work-related services:

Social/Emotional Assessment Services - Duties include Social and Developmental Histories, case staffing & Individual Education Plan (IEP) meetings, manifestation hearings, supportive services - i.e. Counseling as a Related Service (CARS), behavioral groups at identified schools, etc.

Attendance Compliance and Other Related Mandated Services - Duties include attendance monitoring and analysis, attendance interventions through Problem Solving Team (PST) meetings, IEP meetings, counseling (individual, small group, or large group at identified schools), virtual instruction and home education follow-up, parent/student/teacher conferences, mentorship, case management services, etc.

Training/professional development, consultation, homelessness, home/school/community linkage to address barriers to education, crisis intervention, and parent contact as appropriate - i.e. parent communication, home visits, etc.

The District has been divided into East and West sections for service delivery by 18 social workers.

- Nine SSW's have been assigned to Eastside schools
- Nine SSW's have been assigned to Westside schools.

Special NOTE: 4 New positions were added during the 2018-2019 academic year making it possible for staff to go back to 3-4 schools delivering the normal array of social work services. 5 mental health school social work positions were also added and geographically placed at 5 schools (Palm Terrace, New Smyrna Beach High, Blue Lake Elementary, Galaxy Middle and Silver Sands Middle). Those positions moved under the Coordinator of Student Services during the 2020-2021 SY. All mental health positions are now under the supervision of the mental health specialist as of 2021-22 SY.

Two additional SSW's have district-wide responsibilities:

- The Homeless Liaison is a 100% grant funded position; this person serves the entire district.
- The Court Liaison for Attendance is responsible for State Attorney cases, Children in Need of Services and Families in Need of Services (CINS/FINS), Teen Court, ASAP referrals, and other supportive services as needed, i.e. Driver License, Learnfare, District Student Placement Committee (DSPC), etc., for the entire district.

School-level Service Delivery Structure:

Each SSW's have been assigned 3-4 schools, each being responsible for the social/emotional assessment services as well as the attendance compliance and other related mandated services. Each of these individuals will be responsible for collaborating and working with the designated school-based personnel (i.e. attendance clerks, attendance administrators, school counselors, PST chairs, IEP facilitators, etc.).

- During scheduled team meetings, social workers will review referrals and determine necessary plan of action for cases.
- Feedback will be sent to key team members at the schools on a regular basis.

Request for Services:

The designated SSW for each assigned cluster will receive and monitor their core school referrals. The normal attendance and social history referral processes will be followed and reviewed with each school in September 2020 and throughout the SY.

Attendance at PST, IEP, Functional Behavioral Assessment (FBA), and other meetings:

SSW's will attend these meetings as needed and as their schedules permit.

Note: Referrals generated by private schools, charter schools, Child Find, Halifax Behavioral, Hospital/Homebound, P.A.C.E., Volusia Virtual and Home Education will be assigned to the School Social Worker serving the student's zone school. For more information on School Social Services, please contact Dianne Martin-Morgan, Coordinator, School Social Services at ext. 20755/20765.
