

ATTENDANCE REPORTS 2016-2017

ATTENDANCE IS THE  KEY

2016-2017 School Attendance End of Year Report
Departmental Goal Achievement and Attendance Initiatives

Submitted by Melissa Burke-Jackson, School Social Worker/Attendance Court Liaison

During the 2016-2017 SY, the school district introduced a new data tool, the KEEP (Key Engagement Elements Profiles) report, for schools to look more closely at student's progress including chronic absenteeism. Chronic absences is defined as missing 10 percent or more of school days including all absences, excused or unexcused and suspensions. Superintendent Russell accepted the Call to Action through Attendance Works in July/August 2016. Mr. Russell introduced the Superintendent's Attendance Initiative for Volusia County Schools, which focused on decreasing chronic absenteeism, to staff, school board and key community stakeholders. The initiative included a Proclamation declaring September as Attendance Awareness Month before the school board in August 2016, messaging to parents, students, school staff, and community stakeholders, and the Everybody Every Day Campaign. The campaign included a student contest, Everybody Every Day Poem, Poster, Video Rap/Song Contest which encourages students to display their artistic creativity while highlighting why school attendance is important to education and school achievement. There were 19 winners in the respective categories that were awarded. The Shirley H. Lee Community Support for School Attendance Award Recipient was awarded to Mr. Jeff Reaves, Principal of Edgewater Public School, for his commitment to promoting regular school attendance through a school wide initiative of encouraging students' daily attendance. Other attendance initiatives included:

- perfect attendance winners (240 students)for the 2015-2016 SY were awarded a certificate at their respective schools
- Excellence in Attendance Award which recognizes the schools with the highest attendance rate at the elementary, middle, high school, and alternative levels at the end of each semester. Winners for first semester of the 2016-2017 SY were: Sweetwater Elementary at 96.20%; Heritage Middle at 96.62%; Deltona High at 96.84%; and PACE Center for Girls at 89.79%. The second semester winners were: Sweetwater Elementary at 95.81%; Galaxy Middle at 95.65%; Seabreeze High at 96.37%; and PACE Center for Girls at 86.99%.
- Superintendent's Attendance Challenge Award. This award was given to the top schools at each level achieving the highest reduction in chronic absenteeism (CA) during the third nine weeks of the 2016-2017 SY. The winners were: 1st place, Sweetwater Elementary, began with 10% and ended with 8% CA rate; 1st place Seabreeze High, began with 11% and ended with 11% CA rate; and 2nd place, Port Orange Elementary, began with 13% and ended with 13% CA rate.

Superintendent Russell approved for the district wide Reasons for Chronic Absenteeism Student Survey, created by the Florida PS/RtI Project, University of South Florida, which was implemented at 8 secondary schools including Deltona Middle, Heritage Middle, Galaxy Middle, Southwestern Middle, Taylor Middle-High, Pine Ridge High, and Spruce Creek High. Results

from the survey provided information about common barriers to school attendance; student perceptions of their own number of absences and absence rates relative to peers; and student reports of perceived existing resources or motivators for school attendance and what they think would help them attend school more regularly or miss fewer days.

The 2016-2017 Attendance Goals for School Social Work Services were to decrease the chronic absenteeism rate by 10% and to decrease the percentage of students with 15 or more unexcused absences with emphasis on the homeless population. Attendance Social Workers diligently worked towards these goals by monitoring school attendance, disaggregating attendance data, promoting attendance and engagement initiatives, and provided support to schools, students, and their families to improve attendance, thus improving the academic progress for these students.

The Attendance Team assisted school-based staff in identifying all truant students (students with 15 or more unexcused absences within a 90 calendar period). The overall rate of students who were habitual truants for the 2016-2017 SY was 4.0% which represents 2,515 of the total population of truant students. The overall rate of homeless students who were habitually truant was 20.2% which represents 507 students of the total population of truant students. The overall rate of ESE students who were habitually truant was 30.2% which represents 760 students of the total population of truant students. The Team also looked at students with 15 or more unexcused absences and the district rate was 11.5% (7,132 students). The district rate for homeless students with 15 or more unexcused absences was 14.8% (1055 students). The district rate for ESE students with 15 or more unexcused absences was 27.8% (1984 students).

For the 2016-2017 SY, 863 total attendance referrals were received. School Social Workers for Attendance submitted 2 Teen Court referrals, 124 CINS/FINS referrals, 127 ASAP referrals, and 45 adult court referrals submitted to the State Attorney's Office for violation of the compulsory school attendance law.

The School Social Workers for Attendance were supportive in assisting the district in resolving DNE withdrawal codes again this school year in order to ensure that the district's count was accurate for the submission to FLDOE for annual withdrawal reporting (i.e. Survey 2-5). On 8/16/16, there were 2149 students coded as DNE. All DNE codes were resolved by the Survey 3 submission in February 2017.

There was 288 students who were terminated and withdrawn from Home Education due to non-compliance. Attendance Team provided follow-up services to these families to assist them in getting back into regular school attendance. The Team assisted the Home Instruction/Off Campus Instruction programs by providing follow-up services for 8 students who were not accessing their services. Two School Social Workers for Attendance provided transition services for those students who were placed at Highbanks Learning Center or Riverview Learning Center by DSPC or their respective (ESE) IEP teams.

*Note: Calculations for the Online Learning attendance data began in the 2013-2014 school year. For the 2016-2017 school year, Online Learning now only includes full-time Volusia Virtual School.

Chronic Absenteeism Rate Three Year Comparison*

(Students are considered to be chronically absent if they accumulate 10% or more absences in a school year = 18+ days)

LEVEL	2014-2015*	2015-2016	2016-2017
Elementary Schools	15.0%	15.7%	17.3%
Middle Schools	12.6%	15.8%	18.0%
High Schools	14.4%	13.4%	15.4%
Alternative Education	36.3%	64.4%	75.8%
Charter Schools	27.8%	26.2%	25.8%
Online Learning	26.8%	8.8%	9.0%
TOTALS	14.8%	15.6%	17.4%

In October 2015, the Obama Administration launched ***Every Student, Every Day: A National Initiative to Address and Eliminate Chronic Absenteeism*** with a goal to decrease it by at least 10 percent each school year. Research shows that missing at least 10 percent of school days in a year for any reason is a primary cause of low academic achievement and a powerful predictor that students will eventually drop out of school.

*Note: Due to the constraints of the data system, the chronic absenteeism rate is only inclusive of excused and/or unexcused absences, and does not include out of school suspensions for the 2014-2015 school year.
