# Next Generation Village

An Advanced Approach to Patient Care

addiction | substance use disorders | mental health

# YOUR FUTURE STARTS HERE

Next Generation Village is located in Sebring, Florida, overlooking picturesque Lake Sebring. Conveniently located within driving distance from both Tampa and Orlando International Airports, Next Generation Village offers a serene environment for adolescents to excel on their path to recovery. Our treatment center offers a full continuum of care for those struggling with addiction, substance use disorders and co-occurring mental health issues. With the utmost compassion, our highly experienced clinical team works to develop a comprehensive, multidisciplinary treatment plan for each client, with levels of care ranging from acute medical detox to the planning of aftercare services.

# A BRIGHTER TOMORROW

Today's youth face social pressures unimagined by past generations. At Next Generation Village, teens find true healing in a secure, resort-like setting carefully designed with their needs in mind.

Our newly constructed facility overlooks beautiful Lake Sebring and, along with peaceful views and quiet serenity, offers the following amenities:

- Outdoor pool
- Lakefront views
- Sand volleyball court
- Gourmet meals

# HEALING FOR THE MIND, BODY, AND SOUL

In addition to treatment, Next Generation Village provides on-site educational services that will allow clients to continue their studies. During treatment, our clients receive a personalized continued education, undergoing a seamless transition back to school. Our expert staff, including specialized educational counselors, have backgrounds both impressive and diverse, providing clients with the highest quality medical and clinical treatment, but also practical life skills and resilience to prepare them for the next chapter of their lives.

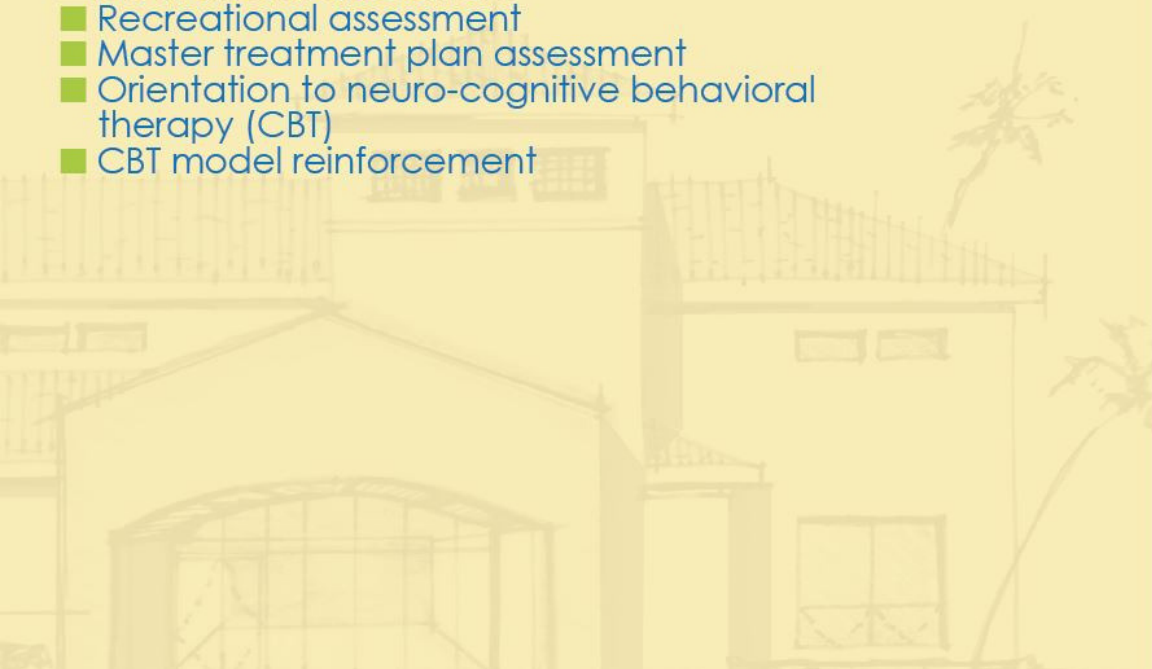

# THE 10/10 EXPERIENCE™

The Recovery Village is dedicated to providing customized service to promote longterm healing for those struggling with substance use and co-occurring disorders. The 10/10 Experience is a comprehensive evaluation process that includes 10 initial assessments within the first 10 days of any inpatient program. By identifying potential roadblocks and understanding individual needs, we are able to create a tailored treatment plan for each client.

The **10/10 Experience** includes:

- Psychiatric assessment
- Biopsychosocial assessment
- Nursing assessment
- Case management assessment
- Medication assessment
- Motivational assessment
- Recreational assessment
- Master treatment plan assessment
- Orientation to neuro-cognitive behavioral therapy (CBT)
- CBT model reinforcement

Next Generation Village is accredited by The Joint Commission, having earned the Gold Seal of Approval for Behavioral Healthcare Accreditation by demonstrating continuous compliance with the organization's performance standards.
