- * The materials copay includes frames and/or standard basic lens. Additional charges may apply according to the options price list if additional lens options are purchased.
- ** The frame allowance is based on a wholesale amount. If the actual wholesale cost exceeds the wholesale frame allowance, you will be required to pay twice the wholesale difference.
- *** This list is a partial list of the lens options that are available to you. Please work with your provider to choose the options that are available to you.
- **** This allowance is to be used towards the contact lens evaluation, fit, follow up and materials. In addition, you receive a 15% discount off of the evaluation, fit and follow up services. You are responsible for the balance of these services after the allowance has been applied. You are also responsible for the exam copayment.
- ***** Not all progressive brands may be covered. Please work with your provider for availability and pricing.

Patient is entitled to: 20% off retail for second pair of eyeglasses. 15% off retail for professional service fees for elective contact lenses (exam, fittings). These discounts are available for 12 months after the covered eye exam is performed. Please refer to your certificate of coverage for a complete listing of limitations and exclusions.

It's easy to start using your benefits

With a HumanaVision plan, you can use your benefits at a location and time that's convenient for you. HumanaVision has one of the largest vision networks in the country with more than 35,000 provider locations ready to serve your vision care needs. And, you'll pay the same cost for frames no matter where you go with fixed pricing on the most popular lenses and lens options.

At home or on the road, find a provider with convenient hours and locations:

- Locate a participating network provider at HumanaVisionCare.com or call the number on the front of your ID card.
- Schedule an appointment by phone or stop by one of the many providers that accept walk-in visits.
- Present your HumanaVision ID card when you arrive.

The HumanaVision provider will take care of the rest!

Vision health impacts overall health, too

Routine eye exams can lead to early detection of vision problems and other diseases such as diabetes, hypertension, multiple sclerosis, high blood pressure, osteoporosis, and rheumatoid arthritis.*
