

MARCH 7TH, 2019

MENTAL WELLNESS COMMUNITY FORUM

**Presented to you by Volusia County Schools &
Halifax Behavioral Services**

A Healthy Mind is a Happier Student

Our students are facing many challenges on a day to day basis that can and do impact their ability to be their best self. This community forum will provide information to both students and parents about the support services provided at the school-based level and beyond with our community providers, as well as provide insight in to how mental wellness contributes to student success. Come join us to ask questions, learn more, and give feedback!
