

Volusia County Schools

Highlights

2017-2018 School Year

The PURPOSE of the Student Progression Plan...

- The Student Progression Plan ensures that the required program of study, grade placement, promotion, retention, reporting and special programs are **equitable** and **comprehensive** for all students.
- Encompasses: State Requirements and District Policies

The FORMAT of the Student Progression Plan...

The Student Progression Plan is broken into six sections:

- General Information
- Elementary Services (Grades K-5)
- Middle School Services (Grades 6-8)
- High School Services (Grades 9-12)
- Exceptional Student Education (ESE)
- Graduation Charts and Resources

Student Progression Plan Location

The screenshot displays the Volusia County Schools website. The header features the Volusia County Schools logo with the tagline "Ensuring all students receive a superior 21st century education." and a search bar containing the text "Student Progression Plan". The navigation bar includes links for Home, School Board, Superintendent, Departments, Schools, Employment, and VPortal. A yellow arrow points to the "Schools" link. The left sidebar contains a "Search" section with filters for Result type (PDF, PowerPoint, SharePoint Site, Web page, Word, Zip) and Modified date (One Year Ago, Today, All). The main content area shows search results for "Student Progression Plan", including links to the plan document and related policies.

Health and PE
lessons are provided to middle school students through health modules

Volusia

REVISIONS & UPDATES

Policy Change

- Students that show proficiency by obtaining a level 4 or higher on the Florida Statewide Standardized Assessment in ELA, Mathematics, science or social studies may be granted course completion in middle school course credit for that specific subject area if approved by the district committee.

REVISIONS & UPDATES

Policy Change

Florida Senate Bill 1076 requires that an End of Course (EOC) assessment results represent 30% of the student's final course grade for the following courses: Biology, Geometry, Algebra 1, United States History and Civics. The following grades will be assigned based on the results of the students EOC and will be used to calculate the students final course grade.

<u>EOC Score</u>	<u>Grade Assigned for 30% calculation</u>
Level 5 or Level 4	A
Level 3	B
Level 2	C
Level 1	D

REVISIONS & UPDATES

Legislative Change

Beginning with the 2017-2018 school year, students will no longer be able to utilize the CAP program to earn high school credit in Algebra 2. The Algebra 2 course will no longer require an End of Course Exam (EOC) worth 30% of the overall final course grade.

REVISIONS & UPDATES

Legislative Change

Students graduating during the 2016-2017 school year and thereafter will be eligible to participate in the Volusia Florida Seal of Biliteracy Program. The Florida Seal of Biliteracy program recognizes high school students who have attained a high level of proficiency in one or more languages in addition to English. Eligible students will receive a gold or silver seal on their diplomas.

REVISIONS & UPDATES

Clarifying Language

Students that are opting for an 18-credit diploma and who are in their 4th year, but have yet to earn the 17 credits needed for Senior Status, may be moved to senior status at the end of the first semester of their 4th year, if they are on track to graduate in May

REVISIONS & UPDATES

Legislative Change

The previously required career planning component for middle school students which resulted in the completion of a personalized four-year academic and career plan and was infused into the 8th grade history class has been removed from the Student Progression Plan.
