

CFPSBC Legislative Priorities

Resources

Provide necessary funds to compensate for inflation, increase teacher salaries and fully cover cost of state mandates.

Stabilize funding from RLE with no additional rollback.

Hiring Experienced Educators and Safety Personnel

Authorize districts to re-employ instructional staff and safety personnel after one month of retirement rather than 12 months currently required by law.

Local Control and Flexibility

Allow districts to exercise local decision making with regard to:

Construction dollars

Safe School dollars

Locally approved revenue

Mental Health dollars

Title 1 Funds

Issues of Continued Concern

Performance Pay Requirement

Best and Brightest Bonus Program

Teacher Certification
