## **505 DISTRIBUTION OF NONSCHOOL-SPONSORED MATERIALS ON SCHOOL PREMISES BY STUDENTS AND EMPLOYEES**

### **I. PURPOSE**

The purpose of this policy is to protect the exercise of students' and employees' free speech rights, taking into consideration the educational objectives and responsibilities of the school district.

### **II. GENERAL STATEMENT OF POLICY**

- A. The school district recognizes that students and employees have the right to express themselves on school property. This protection includes the right to distribute, at a reasonable time and place and in a reasonable manner, nonschool-sponsored material.
- B. To protect First Amendment rights, while at the same time preserving the integrity of the educational objectives and responsibilities of the school district, the school board adopts the following regulations and procedures regarding distribution of nonschool-sponsored material on school property and at school activities.

### **III. DEFINITIONS**

- A. "Distribute" or "Distribution" means circulation or dissemination of material by means of handing out or offering materials or copies of materials ("materials"), selling or offering materials for sale, accepting donations for materials, posting or displaying materials, placing materials in internal staff or student mailboxes, or staff, student or parent emails.
- B. "Non-school-sponsored material" or "unofficial material" includes all materials or objects intended for distribution, except school newspapers, employee newsletters, literary magazines, yearbooks and other publications funded and/or sponsored or authorized by the school. Examples of nonschool-sponsored materials include but are not limited to leaflets, brochures, buttons, badges, flyers, petitions, posters, and underground newspapers whether written by students or employees or others, and tangible objects and websites, blogs, wikis, podcasts or other online resources.

- C. “Obscene to minors” means:
1. The average person, applying contemporary community standards, would find that the material, taken as a whole, appeals to the prurient interest of minors of the age to whom distribution is requested;
  2. The material depicts or describes, in a manner that is patently offensive to prevailing standards in the adult community concerning how such conduct should be presented to minors of the age to whom distribution is requested, sexual conduct such as intimate sexual acts (normal or perverted), masturbation, excretory functions, or lewd exhibition of the genitals; and
  3. The material, taken as a whole, lacks serious literary, artistic, political, or scientific value for minors.
- D. “Minor” means any person under the age of eighteen (18).
- E. “Material and substantial disruption” of a normal school activity means:
1. Where the normal school activity is an educational program of the district for which student attendance is compulsory, “material and substantial disruption” is defined as any disruption, which interferes with or impedes the implementation of that program.
  2. Where the normal school activity is voluntary in nature (including, without limitation, school athletic events, school plays and concerts, and lunch periods) “material and substantial disruption” is defined as student rioting, unlawful seizures of property, conduct inappropriate to the event, participation in a school boycott, demonstration, sit-in, stand-in, walk-out, or other related forms of activity.
  3. Where the normal activity uses the district’s electronic technologies, “material and substantial disruption” is defined as deliberately attempting to disrupt the computer network and/or destroying data by spreading computer viruses or malware.
  4. In order for expression to be considered disruptive, there must exist specific facts upon which the likelihood of disruption can be forecast, including past experience in the school, current events influencing student activities and behavior, and instances of actual or threatened disruption relating to the written material in question.
- F. “School activities” means any activity sponsored by the school including, but not limited to, classroom work, library activities, physical education classes, official assemblies and other similar gatherings, school athletic contests, fine arts concerts, presentations and productions, in-school lunch periods, school and teacher websites, blogs, wikis, podcasts or school-sponsored online resources.

- G. “Libelous” is a false and unprivileged statement about a specific individual that tends to harm the individual’s reputation or to lower that individual in the esteem of the community.
