SECTION A – BASIC FEES

I REGISTRATION FEE

To register your child at Bede's Senior School a registration fee of £150 is required. Please note that this fee is non-refundable.

II ACCEPTANCE DEPOSIT AND OVERSEAS DEPOSIT

Once offered, a place cannot be secured until we are in receipt of the acceptance form and deposit. The deposit applies on joining the School and also on transfer between the Prep and the Senior School. For pupils transferring from the Prep School a top up deposit may be required. Deposit amounts for 2022 / 23 are as follows:

Acceptance Deposits

Day Pupils	£1,000
Boarders	£1,500
Non UK Residents / Tier 4 Visa holders	£12,990

In addition to payment of an acceptance deposit, confirmation of a place at the Senior School is also dependent upon each child successfully meeting the entry requirements – please refer to the Admissions Policy for more details.

A term's fees (less any deposits held) will be immediately payable if, for any reason, the acceptance of a place is cancelled less than a term before entry.

Once accepted, deposits are retained until a pupil leaves, to cover the cost of any extras that are typically charged in arrears. The deposit will be credited (without interest) against the final invoice. Deposits are not a contribution towards the first term's bill, nor for payment of the last.

Where a pupil leaves the School with a credit balance on their account this is retained until the following term to allow for the offsetting of any additional charges typically charged in arrears.

V INSURANCE

The School strongly recommends that pupils are properly covered by insurance whilst at Bede's School. All parents must ensure that the insurance terms are acceptable for their requirements. Full particulars of cover and invitation to join the schemes are sent to parents.

Cancellation of insurance must be received in writing prior to the commencement of the term to which the premium applies otherwise the premium will be payable in full. Cover cannot be applied retrospectively in the event of a claim. Please check your bill to ensure that you have the required cover.

a. Personal Accident

Pupils' personal accident insurance cover is included within the tuition fee charge.

b. Personal Effects

This policy provides cover for all normal personal belongings although parents should take out additional cover if high value items such as laptops, mobile devices or musical instruments are to be brought into the School.

Parents must ensure that their children's possessions are clearly marked and identifiable.

c. Fees Refund Scheme

This scheme enables parents to recover some of the school fees paid whilst a pupil is absent for medical reasons for a period in excess of five days for day pupils and eight days for boarding pupils. The scheme does not cover pre-existing medical conditions.

d. Health

Health cover is available to all pupils.

Details of the above policies can be obtained from fees@bedes.org, on the parent portal or the School website www.bedes.org.

VI OTHER CHARGES

Other extra charges may be incurred by using such services as listed below:

- Medical and dental treatment provided by third parties
- Taxi fares connected with transport to and from School
- Mouthguards
- Replacement text books
- Examination costs
- Examination support
- BTEC registration fees
- UCAS fees
- Matrons' charges
- Dance
- Any other chargeable activities/trips.

This is not an exhaustive list.

Depending upon the nature of these items they are either charged in advance (where known about prior to the pre-term billing) or in arrears.

SECTION D – NON-CURRICULAR TRIPS

Payment in advance will be required for non-curricular school trips of more than one day's duration and where the School is required to make advance bookings and payments to reserve places. Parents are contacted in advance by the School with details of the trip and estimated cost prior to any payment being requested.

Whilst the School recognises the important role that school trips play in the broader education of pupils, payment of fees takes priority. It is School policy that any monies paid to the School are first used to clear outstanding balances on the family billing account.

SECTION E – PAYMENT

Payment of fees must be made in full before the first day of the term for which they are due, unless the fee payer has joined the monthly direct debit payment scheme.

The School appreciates that there occasionally may be difficulties in meeting fee payments. If financial difficulties are foreseen, the fee payer must contact the Bursary as soon as possible. This allows the School to review the situation in a timely manner, avoiding unnecessary disruption to education.

Please contact the Fees and Billing Manager 01323 356617, fees@bedes.org or the Bursar 01323 356623, bursar@bedes.org.
