Toontastic 3D: With Toontastic 3D you can draw, animate, and narrate your own cartoons.

GETTING STARTED

🍎 Tap app **ICON** to open.

🍎 Tap the **+**.

🍎 Tap **SHORT STORY**, Classic Story, or Science Report.

SETTING THE SCENE

🍎 Tap on a **SCENE** description to begin creating.

🍎 Pick and tap on a **SETTING**.

(You can also tap to draw your own setting.)

🍎 Tap a **CHARACTER**.

🍎 Tap the pencil icon to **EDIT** the character, if desired.

🍎 Tap the **ARROW** on the top right of the screen to place character(s) in setting.

RECORDING

🍎 Tap the green **START** button to begin recording.

🍎 Begin **SPEAKING** and moving the character(s) around the scene.

🍎 Tap the **STOP** icon to stop the video recording.

🍎 Choose a style of MUSIC, if desired. Use slider for more choices.

🍎 Tap the **CHECKMARK** when finished.

SAVING

🍎 Tap the **OTHER** settings in your project and complete.

🍎 Tap **FINISH** when each setting is created and recorded.

🍎 Provide a **TITLE** for your video project.

🍎 Add your name as the **DIRECTOR.**

🍎 Tap the **CHECKMARK.**

🍎 Video will begin playing, tap **SCREEN**, then tap the **X.**

🍎 Tap **EXPORT.**
