# i-Ready® iPad Compatibility Document

*i-Ready* for Students iPad app is free and available for download through the Apple App Store®. Students must use i-Ready on iPads that are compatible with **iOS 11 or above**, such as the iPad Air, iPad Air 2, iPad Pro, or any other device that meets the requirements in the table below. Note that **iPad minis are not supported** and that the *i-Ready* app is **not accessible on other tablets nor the iPhone®**. These students will be able to use the i-Ready for the Students iPad app and **access all assessment and instruction**. This app will be continually updated and supported with future releases.

We officially support all iPad models that meet the following criteria:
- A6X Chipset or greater
- Supports iOS 11 or greater
- Screen resolution: 2048-by-1536 at 264 pixels per inch (ppi)
- Screen diagonal of 9.7 inches**
