CONGRATULATIONS CLASS OF 2022!

Enjoy some photos from Baccalaureate and Commencement Exercises

On May 20th, OLMA celebrated its 58th graduation. Both the Baccalaureate and Commencement exercises were held outside and the heat held off! The Class of 2022 seniors were celebrated for their academic, artistic and athletic abilities as well as their dedication to community service. Family and friends were in attendance to cheer and applaud for this special group of students. We will miss their personalities and their contributions to the OLMA community! And of course, we now welcome them to the Alumnae Sisterhood!

Alumnae "Leading a World of Change"

Amanda Jordan Hastings

Meet OLMA's Valedictorian

by Reilly Pizzelli '24

As the school year comes to a close, we would like to honor OLMA's Class of 2022 Valedictorian Amanda Hastings. Amanda spoke at Commencement in May and showcased her humor, determination, and appreciation for her time at OLMA. She spoke eloquently about being a proud member of the Class of 2022 and learning how to knock down doors when she needs to create an opportunity for herself.

As I sat with Amanda just before graduation, we reflected on her past four years at OLMA on all the activities she has founded and been involved in. Amanda founded an OLMA Book Club and was a part of many other clubs including Chemistry Club, Debate Club, and Mock Trial. She was a member of OLMA's lacrosse and soccer teams and managed OLMA's basketball team. Some of Amanda's favorite teachers are Mr. Jarrell, Sister Margaret, and Ms. Hopman.

When I asked Amanda how she feels about leaving OLMA, she said, "I'm sad to be leaving, but I know I have been well prepared for my future, and I will always look back fondly on the memories I've made here. I know I will cherish the relationships I've made with my teachers and classmates."

Amanda will be attending Franklin and Marshall College in the fall. She will be majoring in public policy and sociology with the intent of going to law school.

We wish Amanda and the rest of the Class of 2022 the best of luck on their future endeavors. We will miss you!

We want to hear from you...
