## COMMENTS

- January has been an amazing month! Our middle school students have been working hard on their various leadership activities, creating a presentation for the Middle School Information Night and preparing to host the Monthly Trait Assembly on Leadership. As part of their Leadership program, middle school students are assigned various leadership roles throughout our community. Once such role is participating in our perspective parent tours. This is a wonderful opportunity for our students to not only learn more about their school, but to also share more about their specific program with interested families. Our kindergarten program also had the opportunity to shine as parents and families were invited to attend the Kindergarten Watch Me Work Night on January 31<sup>st</sup>. But possibly the most exciting part of our month was the celebration of National School Choice Week! It is a time that we celebrate the many school choices available to families and more importantly, recognizing that CMP is a school of choice.
