Holiday Market – Vendor Fair	\$465.00	Staff food for professional training
Intel PC Pals	\$15,000.00	Technology – used for Internet & phone in library / replacements of 2 nd laptops

COMMENTS

The year is coming to a close with milestone field trips for the upper elementary grades, the middle school adventure trip, and plans for 8th grade graduation. Spirit Days will be enjoyed by all to end on a fun note. The Moving Up /Bridging Ceremony will occur on the last day of school, followed by potluck picnics for the classrooms.

Following the death of Ms Lucy, our science and reading intervention teacher, her family came to meet with us about her wishes to donate funds towards a garden where the students can continue to learn about nature. I have sent a request to SJUSD to put in raised beds on the asphalt area near the grass by the K/1 classrooms. Staff will make donations for a memorial bench to be placed by the garden. Once in place, the campus will come together to commemorate the garden and to remember Ms Lucy and all she brought to the Orangevale Campus.

I have met with Maria Ostendorf, the new principal for next year, to introduce her to the staff, and to give her pertinent information for her to begin her new role. Maria will attend the two-day planning meetings following the end of school, and I will attend at Elk Grove. We will then finish up our duties at our current campuses through the remainder of June.

It has been my great pleasure to serve the Orangevale Campus community over the past four years. Looking back, it is a joy to remember getting the swings installed after years of fundraising, fencing the lower elementary wing and office, growing the campus to four upper elementary classrooms, with the “crowning jewel” being the start of a middle school to meet the needs of our students and families. This year an official CMP sign was installed, as well as the opening of the portable for the library and the Club Montessori Room... all wonderful accomplishments for the Orangevale Campus!
