COMMENTS

As we enter the month of May, the staff and students of the EG campus are preparing for the end of the year fieldtrips, play performances, celebrations, and CAASPP testing. In particular, our third grade students are preparing for their first overnight fieldtrip to the zoo! Always a favorite, they will have an opportunity to sleep under the stars on the grass outside the reptile house as they learn more about the mammals, amphibians, reptiles, and birds at the Sacramento Zoo. Our focus this month is on science. Classes will be conducting mini-science experiences throughout the month, with a culminating science day on May 17th. In addition, this month, staff and families will be coming together on May 30th for our Annual Family Appreciation Picnic at the Elk Grove Blvd. site. A tradition of the Elk Grove Campus, we start and end each year with a whole-school family gathering at the smaller EG site; our original Elk Grove campus. Lastly, this month we are concluding our book club on Carol Dweck's book, Mindset The New Psychology of Success. This was very well received and something the teachers have asked be continued next school year.
