COMMENTS

March was a very busy month for the Elk Grove Campus. In addition to our Parent/Teacher Conferences, five teachers from the lower, upper elementary, and middle school programs, and one Dean of Students were able to attend the AMS Conference, also known as the Montessori Event in DC. They had an amazing experience and are eager to share their experience with their co-workers. Also in March, Elk Grove staff began participating in a book club on Carol Dweck's book, Mindset The New Psychology of Success. This book club will continue through the next two months and is already generating some lively discussions. During April, the students and staff are preparing for our largest fundraiser of the school year, the APEX Fun Run. It will be held on April 11th, and all are welcome to join us. And lastly, the children, staff, and families at the BR site have been excited to witness the installation of the elementary playground. The crew have been busily working and each day we are treated to seeing new parts of our playground being installed.
