**COMMENTS**

November provided another opportunity for our campus PBIS team to travel off-site and participate in a training and planning session with our training facilitator from the Placer County Office of Education (PCOE). The team came back to campus and shared the new HAWKS motto, based on the program focus. The PBIS Leadership Team from all 6 campuses and our central office also attended the second Leadership Team Planning Meeting at PCOE.

We had the honor of hosting our Executive Director, Gary Bowman, as he presented at our monthly Principal’s Café. He provided an excellent overview of what the Executive Director’s role is in the organization and also discussed transitional leadership plans.

The campus community came out to enjoy the annual Science Expo. Students and parents participated in a host of hands-on Science activities, including an Intel Robotics booth, several Maker’s Table stations, bicycle-powered smoothie making, and more!

During November we also enjoyed the focus on gratitude:

- The K/1 Classrooms each prepared Friendship Soup and shared in a Thanksgiving Luncheon, complete with homemade placemats
- The 2/3 community hosted a Fall Performance filled with gratitude and humor
- Our 4/5/6 classes each hosted a special pot-luck luncheon with students taking great pride in their creations

We are all grateful for the opportunity to work in this caring and giving community. ☺
