COMMENTS

September was a wonderful month at CMP-Carmichael! Students adjusted well to the start of the school year and classrooms are running smoothly (Normalization). We had a great turnout to our showing of “Screenagers,” with parents expressing much appreciation for the event. And we held our APEX Fundraiser and Fun Run - a big thank you to our community for their support! This week we held our second school-wide Character Education Assembly, with a focus on Honesty. Students from the Orca, Manatee, and Sea Lion classes performed a song to introduce the trait, and did a fantastic job!

This month we look forward to our first ever Science Expo (this Friday, Oct. 5, from 5-7PM), which will include many exciting hands-on activities such as robotics, physics, guided nature walks, rocketry, energy transfer art, the fascinating world of animals, and much more! Our Science Committee and Science Mentor, Erin Martin, are doing amazing work putting this event together – kudos and thanks to our dedicated team!
