## COMMENTS

We have held two CAC meetings to date, with the emphasis on the upcoming Harvest Festival. The coordinator and sub-coordinators have done this event for years, and they have asked for new parents, with younger students, to start taking over.

The VAPA program is underway with K/1 & 2/3 classes receiving music and art lessons once a week. Next year the program will expand to include the upper elementary classes.

Our counselor has also started the Second Steps class instruction for 2/3 and upper el classes, in addition to meeting with small groups or individuals as needed. This is a much-needed support for the campus' general education students.

Our Peace Day Assembly was wonderful. New for Orangevale this year, the school came together on the blacktop and sang peace songs, led by Ms. Ally. The students painted small rocks, and the older and younger students traded them, then laid them out in the garden.
